Theology Of The New Testament:

Theology of the New Testament Rudolf Bultmann, 2007 Originally published New York Scribner 1951 1955 **New Testament Theology** Leon Morris, 2011-03-01 This work is not a history of New Testament times nor an account of New Testament religion Nor does it proceed from a view that the New Testament was written as theology We must bear in mind that the writers of the New Testament books were not writing set theological pieces They were concerned with the needs of the churches for which they wrote Those churches already had the Old Testament but these new writings became in time the most significant part of the Scriptures of the believing community As such they should be studied in their own right and these questions should be asked What do these writings mean What is the theology they express or imply What is of permanent validity in them We read these writings across a barrier of many centuries and from a standpoint of a very different culture We make every effort to allow for this but we never succeed perfectly In this book I am trying hard to find out what the New Testament authors meant and this not as an academic exercise but as the necessary prelude to our understanding of what their writings mean for us today From the Introduction **New Testament Theology** Prof James D. G. Dunn, 2010-09-01 In this volume in the Library of Biblical Theology series James D G Dunn ranges widely across the literature of the New Testament to describe the essential elements of the early church's belief and practice Eschatology grace law and gospel discipleship Israel and the church faith and works and most especially incarnation atonement and resurrection Dunn places these and other themes in conversation with the contemporary church's work of understanding its faith and life in relation to God's self revelation in Jesus Christ *Biblical Theology of the New Testament* Bernhard Weiss, 1885 *A Theology of the New Testament* George Eldon Ladd, 1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index *New Testament Theology* Frank J. Matera, 2007-01-01 In this systematic book by book exploration of the theology of each New Testament writing Frank J Matera explores theological diversity and unity in the writings of the New Testament After an introduction to the history and method of New Testament theology he explains and describes the theologies of the Synoptic Pauline and Johannine traditions as well as the rich theology of other New Testament voices Hebrews the Catholic Epistles and the book of Revelation Integrating both Protestant and Catholic approaches this work provides students pastors and scholars a comprehensive view of the New Testament that is rich in exegetical and theological insight **Biblical Theology of the New Testament** Peter Stuhlmacher, 2018-08-16 First English edition of an iconic work of German scholarship Since its original publication in German Peter Stuhlmacher's two volume *Biblische Theologie des Neuen Testaments* has influenced an entire generation of biblical scholars and theologians Now Daniel Bailey's expert translation makes this important work of New Testament theology available in English for the first time Following an

extended discussion of the task of writing a New Testament theology Stuhlmacher explores the development of the Christian message across the pages of the Gospels the writings of Paul and the other canonical books of the New Testament The second part of the book examines the biblical canon and its historical significance A concluding essay by Bailey applies Stuhlmacher's approach to specific texts in Romans and 4 Maccabees *What is New Testament Theology?* Hendrikus Boers, 1979 Here is a review of the history of New Testament theology as a discipline from its roots in the Reformation era through subsequent developments from Johann Philipp Gabler to Rudolf Bultmann and beyond Boers encourages the reader to evaluate and understand a variety of theological approaches in keeping with the diverse nature of the New Testament texts

The Nature of New Testament Theology Robert Morgan, 2009-09-01 Explore biblical theology with monographs from a diversity of experts The Studies in Biblical Theology series includes a wealth of resources to help you understand the development of various doctrines concepts and terminology across the Old and New Testaments Investigate the characteristics of worship in the early church with studies on its liturgy and sacraments Fine tune your understanding of Jesus ministry by exploring his wilderness experience and the nature of his mission Delve into detailed word studies investigate Christological titles used by Paul and come to a new appreciation of the Ten Commandments These in depth treatments will give you a better grip on key theological themes found throughout the Bible *Introducing the New Testament* Paul J. Achtemeier, Joel B. Green, Marianne Meye Thompson, 2001-08-10 Explores the literature of the New Testament of the Bible highlighting the many messages contained within the text and outlining issues that can be discussed by heralding these messages Also provides background of the time period and locations in which the New Testament was written

New Testament Theology Thomas R. Schreiner, 2008-06-01 In this substantial volume Thomas Schreiner takes up the study of New Testament theology looking for the themes that emerge from a detailed reading of the whole rather than considering the individual writings separately Two themes in particular emerge The first concerns redemptive history and the kingdom of God The New Testament writers adopt the Old Testament vision of God's reign and affirm that it has come in Jesus Christ although final fulfillment is yet to come Second the ultimate goal of the kingdom is God's glory Schreiner goes on to relate these themes to the life of the believer and the community of faith Pastors and students will find this a comprehensive and illuminating survey of the unifying themes found throughout the New Testament [The Theology of the New Testament](#) Johannes Jacobus van Oosterzee, 1882 *Biblical Theology of the New Testament* Revere Franklin Weidner, 1891

The Biblical Theology of the New Testament Ezra Palmer Gould, 1900 **The Theology of the New Testament** George Barker Stevens, 1917 **New Testament Theology** George Bradford Caird, 1995 Generations of students have known G B Caird as a penetrating and lucid guide to the many questions and problems posed by modern

biblical study His brilliant commentaries on St Luke the Book of Revelation and St Paul's Prison Epistles as well as his other studies on theology and the Bible have won for him a place among the twentieth century's foremost biblical scholars This new and masterly presentation of New Testament theology completed and edited since the author's death by Professor L D Hurst takes the unique step of setting up an imaginary debate amongst the various authors of the New Testament themselves As central concepts predestination sin atonement the church sacrament ethics eschatology and christology are discussed between such figures as Luke Paul John and the author of Hebrews the work moves to its climax with a presentation of the theology of Jesus himself The result provides a particularly fresh and illuminating picture of the ideas at the heart of Christianity deserving a place on the shelf of every serious pastor theologian and student of the Bible

Biblical Theology of the New Testament Christian Friedrich Schmid, 1870 The Ministry of Jesus in Its Theological Significance Leonhard Goppelt, 1981 This is a print on demand book and is therefore non returnable This volume the first of a two volume work by Leonhard Goppelt represents the most mature and comprehensive thought of this German New Testament scholar Among German speaking scholars it is distinguished as rivaling if not replacing the monumental work on New Testament theology by Rudolf Bultmann A study of the life and ministry of Jesus this volume makes a thoroughgoing application of the most reliable tools and insights of contemporary New Testament scholarship Goppelt makes a critical examination of the sources for knowledge of the historical Jesus and maintains an ongoing conversation with the views of other interpreters Although he sees his study as a qualified conversation between exegetical and systematic theology his goal is always to come to terms with the intent of the New Testament authors without losing sight of Jesus meaning for today The major themes developed are the coming of the Kingdom of God repentance and the ethical directives of Jesus repentance as the gift of God's Kingdom Jesus ministry of healing and eschatological renewal Jesus self understanding and the cross and resurrection An appendix provides a history and shows the range of problems in New Testament theology Here Goppelt also examines and evaluates the historical critical historical positive and Heilsgeschichtliche approaches Each chapter includes a detailed bibliography in English and German

Theology Of The New Testament Introduction

In the digital age, access to information has become easier than ever before. The ability to download Theology Of The New Testament has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Theology Of The New Testament has opened up a world of possibilities. Downloading Theology Of The New Testament provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain

immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Theology Of The New Testament has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Theology Of The New Testament. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Theology Of The New Testament. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Theology Of The New Testament, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Theology Of The New Testament has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
