Hacker Daniels, 2025-06-12 Casting the Art of Rhetoric with Theater and Drama Taking Center Stage explores rhetoric and theater as they relate to one another developing the understanding of rhetoric as theory and praxis This book addresses rhetorical themes and cultural resonances as well as the oft overlooked symbiosis of rhetoric and theater Rather than addressing audiences as either observers of rhetorical artifacts or theatrical performance this work demonstrates the intersection of the two which strengthens theatrical events and their cultural significance Overall the volume showcases the many ways in which an understanding of the relationship between rhetorical and poetic theories can benefit dramatic convention and the breaking thereof **The Sleepwalkers** Arthur Koestler, 2017-02-23 Arthur Koestler's extraordinary history of humanity's changing vision of the universe In this masterly synthesis Arthur Koestler cuts through

the sterile distinction between sciences and humanities to bring to life the whole history of cosmology from the Babylonians to Newton He shows how the tragic split between science and religion arose and how in particular the modern world view replaced the medieval world view in the scientific revolution of the seventeenth century He also provides vivid and judicious pen portraits of a string of great scientists and makes clear the role that political bias and unconscious prejudice played in their creativity

The God Hypothesis Michael Anthony Corey, 2007-04-03 The God Hypothesis seeks to reverse the profound misunderstanding that science has disproved the existence of God The book does this by showing how the latest scientific evidence points in precisely the opposite direction Drawing on the fairy tale of Goldilocks and The Three Bears Michael A Corey believes that the just right conditions that created life on earth provide overwhelming evidence of an Intelligent Designer at work Explaining the religious ramifications of modern science in a common sense style Corey s compelling case for the existence of God will inspire readers to the larger meaning of life *I Shot an Arrow into the Star*
