Taxes are sometimes so fundamental to domestic systems that they are almost impossible to change as when the tax system is part of a nation s majority religion or is linked to another value deeply rooted in local communities such as housing or farming There is a danger in the WTO a Geneva based entity making decisions for people living in distant locations with regard to tax issues related to their local needs and wants The Saudi Arabian tax system exemplifies the tension between religion tax and trade because tax has a role in the country s religion and is an essential part of its laws Therefore there is a need for maintaining a delicate balance between local needs and international commitments with respect to taxation This book aims to show directions in which legal order can be preserved as much as possible from within each country and yet not imposed upon them and which will help build a peaceful bridge between local and international factors that are important to shaping the global order CJEU - Recent Developments in Value Added Tax 2021 Georg Kofler,Michael Lang,Pasquale

Pistone,Alexander Rust,Josef Schuch,Karoline Spies,Claus Staringer,Ilze Kuniga,2023-01-11 The most important and recent judgments of the CJEU Considering the ever increasing importance of indirect taxation as a source of revenue for governments the intensifying complexity of the legal framework and the proliferating number of countries adopting indirect taxation it is essential to scrutinize how the law is applied in practice The primary driving force in this area is undoubtedly the Court of Justice of the European Union This book analyses selected topics e g taxpayer rights in EU VAT law bad debt and insolvency in VAT law taxable base and rates exemptions and deductions by examining the most prominent and recent judgments of the Court of Justice of the European Union Experts from all over the world not just from academia but also government and judiciary representatives as well as tax practitioners have provided their input and helped us compile what is an informative and worthy read for anyone dealing with indirect taxation on a professional basis Value-Added Taxes

James R. White,2008-09 Dissatisfaction with the fed tax system has led to a debate about U S tax reform incl proposals for a nat consumption tax One type of proposed consumption tax is a value added tax VAT A VAT is levied on the difference between a bus sales and its purchases of goods and services Typically a bus calculates the tax due on its sales subtracts a credit for taxes paid on its purchases and remits the difference to the gov t This report describes 1 how VAT design choices such as exemptions and enforcement mechanisms have affected compliance admin costs and compliance burden 2 how countries with fed systems administer a VAT and 3 how countries that recently transitioned to a VAT implemented the new tax Charts
