Vampire Diaries 6 Part:

The Bite, the Breast and the Blood Amy Williams Wilson, 2018-09-18 Central to every vampire story is the undead's need for human blood but equally compelling is the human ingestion of vampire blood which often creates a bond. This blood connection suggests two primal natural desires: breastfeeding and communion with God through a blood covenant. This analysis of vampire stories explores the benefits of the bonding experiences of breastfeeding and Christian and vampire narratives arguing that modern readers and viewers are drawn to this genre because of our innate fascination with the relationship between human and maker.

Black Witches and Queer Ghosts Camille S. Alexander, 2024-04-16 This book is a collection of 13 essays centering on supernatural serials such as television programs, video games, anime, and manga featuring teen protagonists and marketed to teen audiences. These essays provide discussions of characters in teen supernatural serials who disrupt white cisgender social narratives and addresses possible ways that the on-screen depictions of these characters who may be POC or LGBTQIA can lead to additional discussions of more accurate representations of the Other in the media. This collection explores depictions of characters of color and or LGBTQ characters in teen supernatural serials who were marginalized and examines the possible issues that these depictions can raise on a social level and possibly a developmental level for audience members who belong to these communities. The essays included in this collection thoroughly examine these characters and their narratives while providing nuanced examinations of how the media chooses to represent teens of color and LGBTQIA teens.

The Dark Fantastic Ebony Elizabeth Thomas, 2020-09-22 Winner 2022 Children's Literature Association Book Award given by the Children's Literature Association Winner 2020 World Fantasy Awards Winner 2020 British Fantasy Awards Nonfiction Finalist Creative Nonfiction IGNYTE Award given by FIYACON for BIPOC in Speculative Fiction. *Reveals the diversity crisis in children's and young adult media as not only a lack of representation but a lack of imagination. Stories provide portals into other worlds both real and imagined. The promise of escape draws people from all backgrounds to speculative fiction but when people of color seek passageways into the fantastic the doors are often barred. This problem lies not only with children's publishing but also with the television and film executives tasked with adapting these stories into a visual world. When characters of color do appear they are often marginalized or subjected to violence reinforcing for audiences that not all lives matter. The Dark Fantastic is an engaging and provocative exploration of race in popular youth and young adult speculative fiction. Grounded in her experiences as YA novelist, fanfiction writer, and scholar of education, Thomas considers four black girl protagonists from some of the most popular stories of the early 21st century: Bonnie Bennett from the CW's *The Vampire Diaries*, Rue from Suzanne Collins's *The Hunger Games*, Gwen from the BBC's *Merlin*, and Angelina Johnson from J.K. Rowling's *Harry Potter*. Analyzing their narratives and audience reactions to them reveals how these characters mirror the violence against black and brown people in our own world. In response, Thomas uncovers and builds upon a tradition of fantasy and radical imagination in Black feminism and*

Afrofuturism to reveal new possibilities Through fanfiction and other modes of counter storytelling young people of color have reinvisioned fantastic worlds that reflect their own experiences their own lives As Thomas powerfully asserts we dark girls deserve more because we are more *I Was Feeling Epic* Samantha Highfill,2025-09-09 From Entertainment Weekly writer and debut author Samantha Highfill a definitive and deliciously nostalgic look into the creation and legacy of hit show The Vampire Diaries as told by its cast crew and creators In 2009 the CW released a show about grief love redemption and oh yeah vampires A graveyard meet cute a bit of fog and one Hello brother later a cultural phenomenon was born one that would last for 171 episodes across eight seasons and deliver two spin off series I Was Feeling Epic takes us back to Mystic Falls for every first kiss decade dance and unforgettable death With brand new interviews from cast and creatives like Nina Dobrev Paul Wesley Ian Somerhalder Kat Graham Candice King Joseph Morgan Michael Trevino Zach Roerig Michael Malarkey Julie Plec Kevin Williamson and so many more I Was Feeling Epic will relive the show s best moments unearth never before told stories and delve into some of the most widely discussed topics surrounding the series and its legacy all in the words of the people who know it best Transportive nostalgic and perfect for old fans and new I Was Feeling Epic is the in depth story behind the vampirically immortal hit The Vampire Diaries *TV Goes to Hell* Stacey Abbott,David Lavery,2011-10 As a natural heir to the hit television series Buffy the Vampire Slayer Supernatural has risen to prominence with a strong cult following and this series of essays from contributors around the globe investigates the genre bending series cultural footprint both in the United States and abroad The writings explore topics such as folklore religion gender and sexuality comedy music and much more and a brief guide to all the episodes is also included Supernatural follows brothers Dean and Sam Winchester as they encounter and battle evil beings such as vampires shapeshifters ghouls and ghosts from a multitude of genres including folklore urban legends and religious history *The CW Comes of Age* Ashley Lynn Carlson,Lisa K. Perdigao,2022-03-28 Often overlooked in the history of broadcast television The CW became a top rated cable network in primetime during the mid 2000s at a moment when many critics predicted the death of the medium Launched as a joint venture and successor to The WB and UPN The CW focused programming on an 18 to 34 year old predominantly female audience and soon won over viewers with shows like Gossip Girl Jane the Virgin and the DC Arrowverse franchise Nimble adapting to the streaming services era the network has strengthened new series development and its innovative distribution system This collection of new essays examines The CW s business model marketing strategies and most popular series [Taking your iPod touch to the Max, iOS 5 Edition](#) Michael Grothaus,Erica Sadun,2012-06-13 Unleash your iPod touch and take it to the limit using secret tips and techniques Fast and fun to read Taking Your iPod touch 5 to the Max will help you get the most out of iOS 5 on your iPod touch You ll find all the best undocumented tricks as well as the most efficient and enjoyable introduction to the iPod touch available Starting with the basics you ll quickly move on to discover the iPod touch s hidden potential like how to connect to a TV and get contract free VoIP From e mail and surfing the Web to
