Subject Guide to Books in Print, 1996 **Forthcoming Books** Rose Arny, 1996-06 **American Book Publishing Record**, 1987 *Managing Risk in Agriculture* Ashok K. Mishra, Subal C. Kumbhakar, Gudbrand Lien, 2023-10-02. The book addresses and documents farmers' risks in developing and emerging economies. It draws lessons from experimental economics on measuring risk preferences, attitudes, gender differences in managing risks, and risk management strategies in countries across Africa and Asia. It argues policy makers, especially in emerging economies, need a better understanding of farmers' attitudes toward risk and choices of risk management strategies when designing policies to support production agriculture. The book includes chapters on three themes: understanding risk attitudes and preferences using experimental economics to measure risk preferences and risk management strategies and understanding climate change risk and risk management. The book critically examines the currently held beliefs about risk preference attitudes and empirical estimation of risk management strategies emphasizing developing and emerging economies. DEE. This book is ideal for students and researchers in universities and research organizations who conduct applied research on public policy, community development, and rural development and will also be of interest to policy makers in those fields.
