Wild Animals I Have Known Ernest Thompson Seton, 1903 **Wild Animals I Have Known** Ernest Thompson Seton, 2016-08-21 Wild animals I have known 1898 by Ernest Thompson Seton illustrated with 200 drawings THESE STORIES are true The animals in this book were all real characters They lived the lives depicted here and showed the stamp of heroism and personality more strongly by far than it has been in the power of my pen to tell Natural history has lost much by the vague general treatment that is so common What satisfaction would be derived from a ten page sketch of the habits and customs of Man How much more profitable it would be to devote that space to the life of some one great man This is the principle I have endeavored to apply to my animals The real personality of the individual and his view of life are my theme rather than the ways of the race in general as viewed by a casual and hostile human eye **Wild Animals I Have**

devoted to or destroyed by man **Wild Animals I Have Known, and 200 Drawings** Ernest Thompson Seton, 1977 Eight masterful stories by noted naturalist offer blend of scientific observation and romanticism Memorable characters include Old Lobo the leader of a wolfpack and Silverspot a wise old crow 200 black and white illustrations Wild Animals I Have Known Ernest Thompson, 2018-10-21 In his introduction to this book Ernest Seton Thompson wrote Since then the animals are creatures with wants and feelings differing in degree only from our own they surely have their rights He tries his best in this book to express through true stories of wild Animals he knew or heard about the majesty of the animal kingdom and the need for compassion in dealing with nature's creatures big and small This edition is reformatted but includes the over 200 illustrated drawings that were included in the first edition of this book **Wild Animals I Have Known** Ernest Thompson Seton, 2024-02-02 Embark on a captivating journey into the natural world with Ernest Thompson Seton's beloved classic Wild Animals I Have Known Join Seton as he chronicles his encounters with a diverse array of animal companions sharing tales of adventure courage and survival that will inspire and enchant readers of all ages As you delve into this timeless chronicle prepare to be transported to remote wildernesses and untamed landscapes where the bonds between humans and animals are forged in the crucible of nature Follow Seton's captivating narratives as he introduces you to creatures both fierce and gentle each with its own unique story to tell But amidst the excitement of wilderness adventures a poignant question arises What can we learn from the animals that share our planet What insights do they offer into the mysteries of life love and survival Join Seton on a journey of discovery and enlightenment as he illuminates the hidden wonders of the animal kingdom From the cunning fox to the noble wolf each story is a testament to the resilience and beauty of the creatures that inhabit our world Are you ready to experience the thrill of encountering wild animals up close and personal Prepare to be captivated by Seton's vivid prose and heartfelt storytelling as he invites you to walk alongside him on his adventures Whether you're a nature enthusiast or simply love a good animal tale Wild Animals I Have Known promises to leave a lasting impression Here's your chance to immerse yourself in the wonders of the natural world Dive into Wild Animals I Have Known by Ernest Thompson Seton and let the adventure begin Seize the opportunity to reconnect with the wilderness and the creatures that inhabit it Purchase Wild Animals I Have Known now and embark on a journey of discovery and wonder that will stay with you long after you've turned the final page **Wild Animals I Have Known - Scholar's Choice Edition** Ernest Thompson Seton, 2015-02-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may
