Wild One (the Life and Times of Johnny O'keefe). Damian Johnstone,2003 *Australian Rock Chronicles 1955-1964* Paul Vincent,2024-08-28 *Australian Rock Chronicles 1955 1964* retraces the evolution of Australian rock music during the first ten years or what is commonly referred to as the first wave The book tells the story of how rock music in Australia grew from its early troubled beginnings to what it is today readily accepted by society as a part of a thing called pop culture It is as much about the people the artists the promoters the generation of teenagers who ensured its survival and the adults who tried in vain to quell the revolution as it is about the music It also touches briefly on the birth of rock n roll Australian music scene during and after World War II American entrepreneur Lee Gordon s arrival in Australian and his impact on the local entertainment business and the birth of the teenager Read all about the artists from the early pioneers of Alan Dale Johnny O Keefe and Col Joye to the early Sixties stars like The Atlantics The Denvermen Little Pattie and Billy Thorpe and The Aztecs

Johnny O'keefe The Wild One - The Documentary , **Living the 1960s** Noeline Brown,2017-10-01 The sixties was a decade of safari suits shift dresses capri pants and droopy moustaches Of multi purpose French onion soup junket tripe and Bloody Marys Of success on the world s sporting stage and social and political stirrings at home as Baby Boomers and their parents began to see the world differently Award winning and much loved actor Noeline Brown cut a groovy figure in the sixties She confesses to us early on in *Living the 1960s* that she was a bit of a snob I preferred to listen to jazz and performance poetry to appreciate the lyrics of Bob Dylan and to watch foreign films I wore a lot of black and dramatic eye makeup and frequented windowless coffee lounges where people smoked heavily and played chess When she caught sight of The Rolling Stones in Sydney s Hilton cocktail bar one night during their 1965 tour to Australia she coolly noted their drink of choice bartender Eddie Tirado s newly introduced Bourbon and Coke before returning to sip her classic Martini hoping to look cosmopolitan and sophisticated Noeline also found time to be a committed weekend hippy to entertain us on the ground breaking satirical *The Mavis Bramston Show* and to frequent Vadim s restaurant till dawn discussing the state of the world with artists journalists and dissenters under the watchful gaze of ASIO operatives With her trademark dry sense of humour and story teller s gift Noeline is our knowledgeable guide into the smoke filled bars and cafes the pastel lounge rooms and boardrooms of 1960s Australia She explains the different social tribes a hippy could live off the smell of an oily rag and appeared to be wearing it as well a beatnik according to DJ John Burls was someone who had a little beard drank wine from a goatskin and called everybody man Young people identified as Sharpies Mods Rockers and Surfies depending on the fashions they wore and the music they listened to She takes us along the supermarket shopping aisles to the family dinner table I found a recipe in a magazine for Greek moussaka which featured minced lamb and potatoes not an eggplant in sight The list of ingredients included garlic the use of which was optional The white sauce topping was made from yoghurt flour and egg yolks Many dishes called for stock cubes and even monosodium glutamate A recipe for Neapolitan pizza dough in *The*

Australian Women's Weekly in 1968 included copha and Deb Instant Potato Flakes But the nation was changing as young Australians woke up and switched on and our cities became more diverse New smells of garlic and rosemary and other herbs wafted through suburban back lanes and people took to the streets to protest conscription and to let the government know that they were not all the way with LBJ Containing more than 160 images and combining entertaining social history fact boxes and lively anecdotes Living the 1960s paints a picture of a decade that didn't just swing it twisted stomped and screamed For Noeline as for a generation of Australians it was the most important decade of her life Dig David Nichols,2016-10-11 David Nichols tells the story of Australian rock and pop music from 1960 to 1985 formative years in which the nation cast off its colonial cultural shackles and took on the world Generously illustrated and scrupulously researched Dig combines scholarly accuracy with populist flair Nichols is an unfailingly witty and engaging guide surveying the fertile and varied landscape of Australian popular music in seven broad historical chapters interspersed with shorter chapters on some of the more significant figures of each period The result is a compelling portrait of a music scene that evolves in dynamic interaction with those in the United States and the UK yet has always retained a strong sense of its own identity and continues to deliver new stars and cult heroes to a worldwide audience Dig is a unique achievement The few general histories to date have been highlight reels heavy on illustration and short on detail And while there have been many excellent books on individual artists scenes and periods and a couple of first rate encyclopedias there's never been a book that told the whole story of the irresistible growth and sweep of a national music culture Until now Friday on Our Minds Michelle Arrow,2009 Lively and insightful Friday on our Minds shows that far from being trivial or merely entertaining popular culture reveals a great deal about Australia's history and about social and cultural change Book Jacket The Endless Playground National Library of Australia,2000 This lavishly illustrated book takes a broad sweep through the history of Australian childhood from the early nineteenth century to the present Drawing on material from the Library's Pictorial Manuscript Ephemera and Newspaper Collections and using excerpts from the Oral History Collection in addition to specially commissioned feature articles from Robert Holden and children's writers Steven Herrick Ursula Dubosarsky and Jack Bedson the book surveys and celebrates two centuries of growing up in Australia *The Long and Winding Way to the Top* Andrew P Street,2017-11-22 Australia likes to celebrate its musical heritage but there are so many stories that haven't been told Andrew tells us things about the songs that we might not know and things about the songs that no one should ever know He does it with intelligence and humour not to mention an acid wit Jimmy Barnes Which band is Australia's premier act for drunk men to hug to Which dance floor smash owes its existence to an elderly Canadian stand up team How does housing affordability threaten Australian rock Which surprising artist is technically Australia's arguably more successful Beatles Which of our alternative national anthems were written by Americans What ultra Australian song cut Vegemite from its lyrics for being too on the nose And most importantly what's with all the bagpipes Andrew P Street writer critic and obsessive

Australian music weirdo tries to answer these and many many many other questions you never thought to waste time asking in this history of Australia in 50 songs or so Deeply cheeky unashamedly nostalgic and endlessly enthusiastic this is a dive into our national playlist from the birth of rock n roll to the reign of Australian hip hop and just about everything in between Andrew P Street book is a pithy funny and accurate look at 50 famous Australian songs and quite frankly any lover of Aussie music would be sorely amiss if he did not take a good squiz at this book with Street s interesting and often irreverent stories of how each of these songs came to be Steve Kilbey The Church Andrew P Street is a ridiculously infectious writer His tone can be sharp and impertinent and he can be quirky but in the end he is authentic original and writes his astute observations with beautiful clarity Lindy Morrison the Go Betweens Humour candour and big heartedness in music writing Blow me down You ve always been a good un Street Walk on Tim Rogers You Am I
