Will The Real Jesus Please Stand Up:

Will the Real Jesus Please Stand Up? John Blanchard, 1989 *Will the Real Jesus Christ Please Stand Up?* Malcolm Marmorstein, 1965 A TV show is being cast on the life of Jesus Christ One of the people who audition for the role is the real Jesus but he does not get the part because he is too Jewish Will the Real Jesus Please Stand Up? Matthew Richard (Rev. Dr.), 2017 In our culture of personalization where everything is customizable Jesus is often reworked into what each individual wants Him to be Jesus is aligned to a person's agendas and dreams making it easier for him or her to agree with Him **Will the Real Jesus Please Stand Up?** Matthew Richard (Rev. Dr.), 2017 **Will the Real Jesus Please Stand Up?** Colin Isbister, 2007 **Will the Real Jesus Please Stand Up!** Robert McClelland, 2014-10-28 In a world where the God hypothesis is no longer necessary today's Church may offer skeptical Seekers a Jesus Story that no longer connects with their lives Nevertheless their honest questions are to be valued and honored by the Church because they keep us honest and make us rethink the relevancy of our faith Today's world is asking if there is any Reality to the Jesus about whom we speak and if so would he please stand up It is my contention that faith in God does not depend upon proof of his existence as much as what that God's attitude is toward us While the Good News proposed by Christian Faith is that God's attitude was definitively displayed in Jesus I am suggesting that our Jesus Story must take the Apostle Paul's understanding of Reconciliation seriously God too has to pay the price of Sin He is part of the problem of our alienation and neither we nor God can escape its consequences Therein lies the POWER I believe of the Jesus Story to hold the attention of today's Seeker Jesus not only died for our sins he died for God's Sin as well Our Sin was our disobedience God's Sin was his Ignorance It is Paul who getting his message directly from the Risen Christ sees this most clearly Paul wants us to understand that God was in Christ's life and death reconciling the world to himself not just forgiving us Unlike the Jesus Story told by today's Church Paul sees God's Grace as much more amazing than mere payment for our peccadilloes Will the Real Jesus Please Stand Up? William Lane Craig, John Dominic Crossan, William F. Buckley (Jr.), 1998 Based on a debate between John Dominic Crossan codirector of the Jesus Seminar and evangelical William Lane Craig with responses from experts in Jesus studies

Why People Stop Believing Paul Chamberlain, 2018-01-12 This book addresses a growing need in apologetic literature It is a response to the growing wave of Christian leaders who are rejecting Christianity and becoming some of its most ardent critics often supported by a plethora of new organizations arising to encourage such people to cut ties to their faith This is a new challenge from a different breed of critics who are using their instant credibility and insider's knowledge of theology the Bible church history even apologetics to debunk the faith they once believed and promoted They have taken aim at the foundations of Christianity including God the Scriptures miracles and the supernatural and Christianity's perceived inherent prohibition on free enquiry Readers will be introduced to arguments against Christianity by these critics which they claim compelled them to leave followed by responses that use examples questions and nontechnical language to make the

reasoning accessible Every issue addressed has been raised by a former Christian leader and special attention has been paid to their precise formulations The book makes the case that however convincing the critics arguments may appear at first glance further analysis reveals them to be weaker than they appear and in many cases entirely unpersuasive

Connecting Christ Paul Louis Metzger, 2012-05-07 We live in a multifaith society an ever growing diverse cultural climate where no religion is viewed as having a monopoly on truth It is important when that Christ followers not only share the Word of God but also listen and learn how to interact meaningfully with those of diverse perspectives as we engage in life s most important conversations Connecting Christ encourages believers to be not only better communicators and witnesses but also listeners to people of other worldviews and traditions skills that are crucial in defending against today s negative connotations and ineffective approaches associated with Christian evangelism With extensive commentary from leaders of various walks of faith and life from Judaism to Islam and Buddhism to atheism theologian and author Dr Paul Louis Metzger offers a spiritual compass to help navigate the intimidating yet critical dialogue of conveying our faith in Christ Filled with practical guidance and insight into controversial topics such as hell fascism and homosexuality Connecting Christ reveals that there is a way of evangelizing that is neither disengaging monologue nor silent lifestyle ministry but is instead an approach for evangelism and dialogue to go hand in hand We must remove ourselves as the stumbling block to salvation for others and embrace a way to proclaim the uncommon compassionate God revealed in Jesus Christ the Savior this world is dying to know

A Case for Christianity William Golson Jr., 2016-12-15 Becoming a Christian is easy in the sense that there is no application to be completed no rigorous training program no requirement to matriculate through a series of classes or any certifications to obtain However in the simplicity of becoming a Christian we often fail to understand some of

the basics The believers basic tool guide for living is the Bible the Word of God It is the foundation of our faith and therefore we should understand how it was written the spiritual personalities it speaks of what kind of life it calls us to and the confidence we can have in a commitment to live according to its precepts We will attempt to make A Case for Christianity that is to present evidence that will hopefully affirm our belief and strengthen our faith as Christians

Christianity in Crisis Hank Hanegraaff,2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas
