William Faulkner An Annotated Bibliography Of Criticism Since 1988:

William Faulkner John Earl Bassett, 2009 William Faulkner 1897 1962 produced such enduring novels as *The Sound and the Fury* *Light in August* and *As I Lay Dying* as well as many short stories His works continue to be a source of interest to scholars and students of literature and the immense amount of criticism about the Nobel prize winner continues to grow Bassett provides an annotated listing of commentary in English on William Faulkner since the late 1980s This volume dedicates its sections to book length studies of Faulkner commentaries on individual novels and short works criticism covering multiple works biographical and bibliographical sources and other materials such as book reviews doctoral dissertations and brief commentaries This bibliography provides a list of all significant recent commentary on Faulkner and the annotations direct readers to those materials of most interest to them From back of book **Sixteen Modern**

American Authors Jackson R. Bryer, 1989 Praise for the earlier edition Students of modern American literature have for some years turned to *Fifteen Modern American Authors* 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form *Sixteenth Modern American Authors* it will continue to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains American Studies *Faulkner's Reception of Apuleius' The Golden Ass in The Reivers* Vernon L. Provencal, 2020-07-09 Faulkner's final novel *The Reivers* has been gently dismissed by scholars and critics as no more than its subtitle claims *A Reminiscence* Although the new millennium has seen a new appreciation for Faulkner's later novels *The Reivers* is still perceived as a slightly fictionalized comic memoir romanticizing the early life of the author in the pre civil rights American South This volume takes this dismissal of *The Reivers* to task for failing to appreciate its employment of the Apuleian narrative of life altering metamorphosis to offer as his literary farewell hope for humanity's self redemption Vernon L. Provencal studies the reception of *The Golden Ass* in *The Reivers* as comic novels of moral katabasis wilful descent into the lawless underworld and providential anabasis societal and spiritual redemption As the independent basis of the reception study *The Reivers* receives its first ever detailed reading while *The Golden Ass* is read anew from the teleological perspective offered by the undervalued prophecy that in the end the comic hero would become the book itself William Faulkner John
