Winchester's Company Winchester and the Age of Smokeless Powder The Company's Entry Into The Twentieth Century The Western Cartridge Company Winchester Today Major Browning Winchester Models and Major Winchesters Through The Years Oliver F. Winchester first invested his talent and money in the gun business in 1855 when he became one of the original stockholders of the Volcanic Repeating Arms Company. Winchester never failed to publicize the fact that its guns were the first choice of star performers such as Buffalo Bill Cody. This semi-elitism became the hallmark of Winchester advertising. A typical example would read: Look all the makes over but if you are not swayed from your purpose of getting the gun with the maximum strength safety ease and certainty good shooting and good wearing qualities you will surely select a Winchester.
