Winds Of Change Originally A Time Of War American Century Series 5:

Winds of Change Gilbert Morris, 2007 Three cousins go off to fight in World War II while their family at home leans heavily on faith and each other as they pray for their sons *Chosen Peoples* Christopher Tounsel, 2021-05-07 Christopher Tounsel investigates the centrality of Christian worldviews to the ideological construction of South Sudan from the early twentieth century to the present **Splendid Vision, Unswerving Purpose** Aeronautical Systems Center (U.S.). History Office, 2002 This volume explores the nature of civil war in the modern world and in historical perspective Civil wars represent the principal form of armed conflict since the end of the Second World War and certainly in the contemporary era The nature and impact of civil wars suggests that these conflicts reflect and are also a driving force for major societal change In this sense *Understanding Civil War Continuity and Change in Intrastate Conflict* argues that the nature of civil war is not fundamentally changing in nature The book includes a thorough consideration of patterns and types of intrastate conflict and debates relating to the causes impact and changing nature of war A key focus is on the political and social driving forces of such conflict and its societal meanings significance and consequences The author also explores methodological and epistemological challenges related to studying and understanding intrastate war A range of questions and debates are addressed What is the current knowledge regarding the causes and nature of armed intrastate conflict Is it possible to produce general cross national theories on civil war which have broad explanatory relevance Is the concept of civil wars empirically meaningful in an era of globalization and transnational war Has intrastate conflict fundamentally changed in nature Are there historical patterns in different types of intrastate conflict What are the most interesting methodological trends and debates in the study of armed intrastate conflict How are narratives about the causes and nature of civil wars constructed around ideas such as ethnic conflict separatist conflict and resource conflict This book will be of much interest to students of civil wars intrastate conflict security studies and IR in general **Wind Energy Essentials** Richard P. Walker, Andrew Swift, 2015-04-27 Examines the possible societal impacts of wind energy projects and explains the potential issues faced when siting constructing and operating a wind energy project This book begins with a history of wind power and the social impacts of both electricity and wind power from a historical perspective a discussion of basic electrical terms and a primer on the conversion of power in the wind to electricity Much of the second half of the book is devoted to comparing wind energy to other forms of electric generation both renewable and non renewable sources In order to have a true understanding of the impact of wind energy on society one also has to have a thorough understanding of the impacts that other sources of electric generation have such as fossil fuelled plants or nuclear power plants The comparison of electric generation sources includes a review of how such sources are typically utilized within the electric system as well as the economic factors and environmental considerations that affect which resources utilities or operators of electric grids have to take into account The authors conclude with a discussion of energy policies in the U S individual states and foreign nations

how these policies influence the use of renewable energy and what our future may hold in terms of energy supply and demand Some highlights of this book are Discusses the wind energy impacts on the environment local economy electric utilities individuals and communities Provides a visual explanation of wind energy principles through tables graphs maps illustrations and photographs Offers a comprehensive overview of the issues associated with the creation and use of wind energy Models chapters around an existing university curriculum Spanning the broad range of environmental financial policy and other topics that define and determine the relationships between wind energy technology and our energy dependent society Wind Energy Essentials is a resource for students universities and the entire wind energy industry

MotorBoating ,1951-09 **Journalism's Roving Eye** John Maxwell Hamilton,2009 Journalisms Roving Eye is the definitive history of American foreign reporting Beginning with the colonial era it focuses on underlying factors such as technology and public opinion as well as a cavalcade of personalities Here is Henry Morton Stanley who began the spate of journalistic exploration in the 19th century Victor Lawson owner of the Chicago Daily News who invented the idea of a quality foreign news service for Americans and Jack Belden a forgotten brooding figure who exemplified the best in combat reporting Journalisms Roving Eye is essential for understanding the evolution of foreign news gathering and its future

W.E.B. Du Bois David Levering Lewis,2001-09-01 W E B Du Bois 1919 1963 the second volume of the Pulitzer Prize winning biography that The Washington Post hailed as an engrossing masterpiece Charismatic singularly determined and controversial W E B Du Bois was a historian novelist editor sociologist founder of the NAACP advocate of women's rights and the premier architect of the Civil Rights movement His hypnotic voice thunders out of David Levering Lewis's monumental biography like a locomotive under full steam This second volume of what is already a classic work begins with the triumphal return from WWI of African American veterans to the shattering reality of racism and lynching even as America discovers the New Negro of literature and art In stunning detail Lewis chronicles the little known political agenda behind the Harlem Renaissance and Du Bois's relentless fight for equality and justice including his steadfast refusal to allow whites to interpret the aspirations of black America Seared by the rejection of terrified liberals and the black bourgeoisie during the Communist witch hunts Du Bois ended his days in uncompromising exile in newly independent Ghana In re-creating the turbulent times in which he lived and fought Lewis restores the inspiring and famed Du Bois to his central place in American history
