

PHILIP YANCEY VANISHING GRACE

What ever happened to the good news?

"It's a lot to expect authors themselves to live up to the magic of their words, and it's very special when they do. Philip Yancey has a way about him that can only be described as *Graceful*."

Vanishing Grace What Ever Happened To The Good News:

Vanishing Grace Philip Yancey, 2014-10-21 Vanishing Grace is a six session small group Bible study by Philip Yancey exploring how Christians offer grace in a way that is compelling to a jaded society Yancey delves into the reasons for the hostility and gives us models of different more effective ways to communicate the Gospel and why it is Good News after all

Vanishing Grace Philip Yancey, 2014-09-11 Why does the church stir up such negative feelings This is a question that Philip Yancey has been asking all his life for himself as a pilgrim for others as a journalist The question is more relevant now than ever in the UK Christianity continues to decline even as it is increasingly thought to be linked with intolerant fundamentalist attitudes Yet while identification with traditional forms of Christian religion is dropping indicators show that interest in spirituality is rising Why the disconnect Why are so many asking What s so good about the good news Yancey s lifelong writing career has always focused on the search for honest faith that makes a visible difference for a world in pain In his landmark book What s So Amazing about Grace he issued a benchmark call for Christians to be as grace filled in their behaviour as they are in asserting their beliefs People inside and outside the church are still thirsty for grace Yancey points out Perhaps what the church seemed to lack in its heyday is now in its increasingly marginalised stance exactly what it needs to recover in order to thrive Grace can bridge the gap across the movement away from Christianity inviting outsiders as well as insiders the chance to take a deep second look at why it matters and what could reignite its appeal to future generations How can Christians offer grace in a way that is compelling to a jaded society And how can they make a difference in a world of such wrenching need Vanishing Grace Whatever Happened to the Good News is a milestone book for all those who are striving to make sense of their faith and live it out amid the changing landscape of our day Philip explores how Christians may have contributed to hostility toward them by presenting the gospel in ways that come across as strident and judgemental Then he explores what kind of news is good to a culture that thinks it has rejected the Christian version And finally he offers illuminating stories of how faith can be expressed in ways that disarm even the most cynical critics through pilgrims activists and artists rather than through preachers evangelists and apologists

Vanishing Grace Bible Study Guide Philip Yancey, 2014-10-21 In a time of division and discord Christians have come to be seen not as bearers of good news and love but of judgement and intolerance How did we get here And what can we do about it In this Bible study guide DVD video steaming sold separately Philip Yancey bestselling author of What s So Amazing About Grace suggests practical ways in which we can live as salt and light within a society that is radically changing In Vanishing Grace Yancey tackles challenging and timely questions and offers a discerning look at what contributes to the rising hostility toward Christians acknowledging the ways that Christians themselves have contributed to this hostility and exploring how we can respond with both grace and truth In the wake of recent events and cultural shifts people both inside and outside the church are thirsty for grace Vanishing Grace calls us to see their thirst and ours in a hopeful new light as we listen love and offer a grace that is truly

Vanishing Grace Philip Yancey, 2018-06-05 In a time of division and discord Christians have come to be seen not as bearers of good news and love but of judgement and intolerance How did we get here And what can we do about it With a reporter's eye and a compassionate heart Philip Yancey bestselling author of *What's So Amazing About Grace* suggests practical ways in which we can live as salt and light within a society that is radically changing What can we learn from those who shun church but consider themselves spiritual How do people like artists pilgrims and activists model for us a more compelling path to faith than our usual concept of evangelism Can the good news once spoiled ever sound good again In *Vanishing Grace* Yancey tackles challenging and timely questions and offers a discerning look at what contributes to the rising hostility toward Christians acknowledging the ways that Christians themselves have contributed to this hostility and exploring how we can respond with both grace and truth In the wake of recent events and cultural shifts people both inside and outside the church are thirsty for grace *Vanishing Grace* calls us to see their thirst and ours in a hopeful new light as we listen love and offer a grace that is truly good news *What's So Amazing About Grace? Bible Study Participant's Guide, Updated Edition* Philip Yancey, 2021-05-04 The future of Christianity depends on how we master the art of understanding and giving grace At the end of the twentieth century Philip Yancey wrote his classic bestseller *What's So Amazing About Grace* as a testament to the power of God's grace and as a rallying cry to the Christian church to see the acting out of grace as its single most important contribution to the world Now in this 6 session video based participant's guide DVD video streaming sold separately Yancey reexamines with fresh material and new stories the scandalous power of grace so that groups and individuals can reflect upon share and extend this amazing gift of Christ in new and transformative ways In this study you'll discover The extent of God's love and what it means for us Why the church seems to have lost the gift of grace giving and why the world apart from the church can't offer it at all What it would look like for us to truly understand receive and give the gift that God gives so generously to us Yancey offers compelling and true portraits of grace's life changing power He searches for its presence in his own life and in the church He asks how Christians today can contend graciously with moral issues that threaten all they hold dear And he challenges each of us to become living answers to a world that desperately wants to know what's so amazing about grace *Church: Why Bother?* Philip Yancey, 2010-08-03 Insights from Philip Yancey's personal pilgrimage away from and back to the church what made him walk away and what drew him back Why are there so many more professing Christians than churchgoing Christians Is it because something is wrong with the church In his candid thought provoking manner award winning author Philip Yancey reveals the reasons behind his own journey back from skepticism to wholehearted participation in the church This book Weighs the church's human failings against its compelling worth as the body of Christ Looks into what God may have in mind for His church Discusses how the church can

reach beyond its walls and into the communities and lives around it to be more than just Sunday worship Yancey does not whitewash the church's faults He sets them against the overwhelming balance of its strengths its heart for God its care for the hurting its outreach to the lost and its value as family and community This book is for anyone who's ever wondered Why bother with church

Confessions of a Streetwalker David L. McKenna, 2016-05-10 In 2005 my wife Jan and I moved into a condo along the shores of Lake Washington Even though I had served as President of Seattle Pacific University back in the 1970s I was unknown on the streets of the resort like village of Kirkland Washington Each morning Molly our Maltese puppy and I went across the street for her potty break and exercise Soon with Molly as the introducer I discovered a new world where strangers became friends through the connection of our dogs Later after two back surgeries Jan joined us on our daily walk down the street through the village and around the park by using a doggie stroller as a substitute for a walker The sight of the three of us walking down the street with Molly peering forward from her seat at the helm of the stroller became a phenomenon of its own on the streets of Kirkland Together we walked through an open door of learning and found that friendship based upon listening caring and giving is a grace that God reserves for plain people who walk daily and serve joyfully in common places
