Various Miracles: Stories Carol Shields, 1989 The joys and bewilderments of day to day living take on special significance in Carol Shields's short stories

The Miracles Of Jesus Hendrik van der Loos, 1965

Test All Things Gijsbert van den Brink, 2023-07-20 To many people science and the Christian faith are worlds apart As a result those who love both the Bible and science often have something to explain Hasn't science taken over the role of religion in our days And what relevance can such an ancient book as the Bible possibly still have in our hypermodern times This study attempts to elucidate the Bible's continuing appeal and significance in an age characterized by science and ever more sophisticated technology It does so by means of ten soundings in individual biblical texts which are applied to the thought world of contemporary science The results are remarkable and offer a lot of food for thought

Miracles : 2 Volumes Craig S. Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship's 2012 Award of Excellence 2011 Book of the Year Christianbook.com's Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume's argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports

A Guide to Mark Rev. Frank W. Hughes, 2025-06-13 This book will introduce you to the oldest gospel in the New Testament the Gospel according to Mark In addition to a look at the ways in which we currently study the Gospels this book will comment on each of the passages in the Gospel of Mark The final chapter of this book considers the Gospel of Mark as a whole namely its characteristic ways of presenting Jesus and the apostles the meaning of miracles echoes of the Old Testament prophets Elijah and Elisha the relationships among the Gospels of Mark Matthew and Luke and Mark's strong criticism of the early church

The Miracles of Jesus Craig Blomberg, 1986 STORIES FROM THE BIBLE

The Nature Miracles of Jesus Graham H. Twelftree, 2017-09-06 The nature miracle stories of Jesus walking on the water or feeding thousands with a small amount of food for example are so spectacular that many find them a problem whether historical philosophical or even theological This is the first book to tackle this problem head on Do the stories reflect events in the life of the historical Jesus or are they myths or legends Or perhaps they grew out of parables or from more ordinary events into the incredible stories we now have Or again perhaps this the wrong approach A group of high ranking biblical historians philosophers and theologians with very diverse views set out to provide possible answers Contributors James Crossley Eric Eve Craig S Keener

Michael Levine Timothy J McGrew Scot McKnight Graham H Twelftree Ruben Zimmermann **The People's New Testament Commentary** M. Eugene Boring, Fred B. Craddock, 2010-01-25 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people's book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible *Miracles* Patrick J. Hayes, 2016-01-11 Miracles give hope to the hopeless and exemplify the intersection of the divine and the mundane They have shaped world history and continue to influence us through their presence in films television novels and popular culture This encyclopedia provides a unique resource on the philosophical historical religious and cross cultural conceptions of miracles that cut across denominational lines Multidisciplinary in approach this informative yet entertaining encyclopedia covers major aspects of miraculous phenomena through more than 150 alphabetically arranged entries that document how humanity's belief in religious miracles over multiple places periods and faiths have affected society even changed the course of history Written for high school students and general readers the coverage enables readers to learn about different civilizations and cultures the controversies surrounding different beliefs and the often uncomfortable engagement of religion with science This single volume book provides a one stop ready reference that addresses a broad variety of subject matter on miraculous phenomena and guides further investigations into the subject Helpful illustrations and lucid explanations of the ancillary concepts associated with miraculous phenomena make learning about this topic more engaging Readers will be able to link the doctrinal concepts such as grace or prayer with the descriptions of miraculous events especially those associated with saints or holy objects The examination of the controversial aspects of different belief systems along with the book's balanced coverage of the interpretation of miracles will encourage students to weigh different explanations thus fostering the development of their critical thinking skills **Jesus the Miracle Worker** Graham H. Twelftree, 1999-05-25 Graham Twelftree extensively examines the miracles of each Gospel narrative He weighs their historical reliability and considers the question of miracles and the modern mind
