# VAST ALCHEMIES

The Life and Work of Mervyn Peake

*'By far the best biography I've read of Peake and the  
closest to the reality that I perceived.'* — Michael Moorcock

# Vast Alchemies The Life And Work Of Mervyn Peake

**G. Peter Winnington**

## **Vast Alchemies The Life And Work Of Mervyn Peake:**

**Mervyn Peake's Vast Alchemies** G. Peter Winnington, 2009 *Vast Alchemies* G. Peter Winnington, 2000 Interest in Mervyn Peake author of *Titus Groan* and many other modern fantasy classics has never been greater than it is now With the imminent BBC adaptation and showing of the acclaimed *Gormenghast* Trilogy in England and its showing in the U S this summer on the Discovery channel and with the re issuing of his books this completely new reassessment of the life and work of one of this century's most popular and misunderstood writers will be much welcomed This biography is the result of twenty five years research into Peake by one of the world's best authorities It follows Peake the son of missionary parents from China to art school in London and to an artist's colony in the Channel Islands It covers in detail his time in the army during the Second World War a stressful period which coincided with his writing of *Titus Groan* the huge influence that his visit to the concentration camp at Belsen had on his work and the next ten years of his life which were without doubt his most productive Winnington examines all of Peake's work the novels poems the illustrations and the plays and emphasizes his struggle with poverty ill health and his premature death *Vast Alchemies* draws heavily on the writings and reminiscences of those who knew Peake as well as Peake's correspondence with his publishers and includes many never before published photographs

**Mervyn Peake's Vast Alchemies** G. Peter Winnington, 2009 Peter Winnington follows Peake's life from his birth in China through his student years and a sojourn in an artists colony on Sark his marriage and his frustrating years as a soldier when he wished to be a war artist Yet the 1940s marked by a traumatic visit to newly liberated Belsen in 1945 were his most productive years From the middle of the 1950s Parkinson's disease gradually prevented him from working and led to his premature death in 1968 Book Jacket *The Voice of the Heart* G. Peter Winnington, 2006-09-01 The works of Mervyn Peake have fascinated readers for sixty years His *Gormenghast* sequence of novels recently serialized to great acclaim by the BBC stands as one of the great imaginative accomplishments of twentieth century literature In *The Voice of the Heart* G Peter Winnington the world's foremost expert on Peake sets his subject's fiction in context with the poetry plays and book illustrations which are less well known He traces recurrent motifs through Peake's works islands animals and loneliness for example and explores in detail Peake's long neglected play *The Wit to Woo* Through close readings of all these elements of Peake's oeuvre Winnington is ultimately able to offer unparalleled insight into one of British literature's most vibrant imaginations

**Stuckness in the Fiction of Mervyn Peake** Alice Mills, 2005 Mervyn Peake has been acclaimed as an author of fantasy and as an illustrator but as yet has received little attention from literary critics This book is the first to analyse all of Peake's works of fiction including his two picture story books and novella as well as the *Gormenghast* series and *Mr Pye* Alice Mills pinpoints the fictional quirks that render Mervyn Peake such a memorable fantasy writer examining his literary works from Jungian Freudian Kristevan and post Jungian perspectives *Stuckness in the Fiction of Mervyn Peake* will be of interest to fantasy lovers and students of fantasy as a genre as well as those exploring the psychoanalysis of literary

texts     *Miracle Enough* William Gray, Peter Winnington, 2014-09-18 To mark the centenary of Mervyn Peake's birth the Sussex Centre for Folklore Fairy Tales and Fantasy University of Chichester organized an international conference in July 2011 entitled Mervyn Peake and the Fantasy Tradition Papers were presented by scholars artists and writers from all over the world and here we have a selection of them No other comparable collection of essays on Peake has ever been published

The contributors take a wide variety of approaches to Peake's work     **New Makers of Modern Culture** Justin

Wintle, 2016-04-22 New Makers of Modern Culture will be widely acquired by both higher education and public libraries

Bibliographies are attached to entries and there is thorough cross referencing     Historical Dictionary of Gothic Literature

William Hughes, 2013 Literary fashions come and go but some hang around longer than others like Gothic literature which has existed ever since *The Castle of Otranto* in 1764 During this long while it has spread from England to the rest of Great Britain and across the continent and off to America and Australia filling in the gaps more recently Most of it is in English but hardly all and it has adopted all styles from romanticism to modernism to postmodernism and even adjusted to feminist and queer literature and science fiction We have all read some Gothic tales or if not read then seen them in the cinema since they adapt well to film treatment and it would be hard to find anyone who has not heard of ghosts and vampires let alone Count Dracula and Frankenstein On the other hand some of us are inveterate Gothic fans reading one book or story after the other The Historical Dictionary of Gothic Literature follows this long and winding path first in an extensive chronology and then a useful introduction which explains the nature of Gothic and shows how it has evolved Obviously the dictionary section has entries on major writers and some of the best known works but also on geographical variants like Irish Scottish or Russian Gothic and Female Gothic Queer Gothic and Science Fiction This is provided in over 200 often substantial and always intriguing entries More can be found in a detailed bibliography including general works but also more specialized ones on different styles and genres and also specific authors This book should certainly interest the fans but also more serious researchers     *The A to Z of Fantasy Literature* Brian Stableford, 2009-08-13

Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary

fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites     *Mervyn Peake*  
Sebastian Peake, Alison Eldred, G. Peter Winnington, 2006 This new collection of illustrations paintings photographs letters notebook pages and other material some never before published Is a unique memoir of Mervyn Peake s life and work
