Randol Contreras

Wild Cowboys Urban Marauders And The Forces Of Order:

Wild Cowboys Robert Jackall, 2005-10-31 Jackall tells how New York detectives pieced together a case of drug trafficking money laundering and murder centered on a vicious Dominican gang known as the Wild Cowboys Jackall's New York is a society with irreconcilable differences fraught with self doubt and moral ambivalence where institutional logics often lead to perverse outcomes

The SAGE Handbook of Sociology Craig Calhoun, Chris Rojek, Bryan S Turner, 2005 Providing an authoritative guide to theory and method the key sub disciplines and the primary debates in contemporary sociology this work brings together the leading authors to reflect on the condition of the discipline

Violence in American Popular Culture David Schmid, 2015-11-02 This timely collection provides a historical overview of violence in American popular culture from the Puritan era to the present and across a range of media Few topics are discussed more broadly today than violence in American popular culture Unfortunately such discussion is often unsupported by fact and lacking in historical context This two volume work aims to remedy that through a series of concise detailed essays that explore why violence has always been a fundamental part of American popular culture the ways in which it has appeared and how the nature and expression of interest in it have changed over time Each volume of the collection is organized chronologically The first focuses on violent events and phenomena in American history that have been treated across a range of popular cultural media Topics include Native American genocide slavery the Civil Rights Movement and gender violence The second volume explores the treatment of violence in popular culture as it relates to specific genres for example Puritan execution sermons dime novels television film and video games An afterword looks at the forces that influence how violence is presented discusses what violence in pop culture tells us about American culture as a whole and speculates about the future

The Politics of the Police Benjamin Bowling, Robert Reiner, James W. E. Sheptycki, 2019 The Politics of the Police offers a geographical and historical overview of the law and politics of the police This fifth edition covers a wider range of empirical and theoretical issues encompassing a transnational scope and reflecting the growing diversity of policing forms in today's globalized world

Back from the Brink Peter Moskos, 2025

Violence and Democracy John Keane, 2004-06-24 In this provocative book John Keane calls for a fresh understanding of the vexed relationship between democracy and violence Taking issue with the common sense view that human nature is violent Keane shows why mature democracies do not wage war upon each other and why they are unusually sensitive to violence He argues that we need to think more discriminatingly about the origins of violence its consequences its uses and remedies He probes the disputed meanings of the term violence and asks why violence is the greatest enemy of democracy and why today's global triangle of violence is tempting politicians to invoke undemocratic emergency powers Throughout Keane gives prominence to ethical questions such as the circumstances in which violence can be justified and argues that violent behaviour and means of violence can and should be democratised made publicly accountable to others so encouraging efforts to erase surplus violence from the world

Handbook of Ethnography Paul Atkinson, 2001-03-22 This handbook provides a critical guide to the past present and future of ethnography

Immigrant Life in the US Donna R. Gabaccia, Colin Wayne Leach, 2004-03 Contributors from the fields of sociology anthropology history and women s studies focus on the everyday social interactions that makes schools workplaces and neighbourhoods sites of cultural creativity transformation and resistance

Qualitative Research in Criminology Jody Miller, Wilson R. Palacios, 2017-12-02 This volume investigates the significant role qualitative research plays in expanding and refining our understandings of crime and justice It features seventeen original essays that discuss the relationship between methodology and theory The result is a theoretically engaged volume that explores the approaches of qualitative scholars in the collection and treatment of data in criminological scholarship Among the key issues addressed in the volume are methodological rigor in qualitative research movement between method theory building theoretical refinement and expansion diversity of qualitative methodologies from classic field research to contemporary innovations and considerations of the future of qualitative criminological research Qualitative research use has expanded rapidly in the last twenty years This latest volume of *Advances in Criminological Theory* presents a cogent appraisal of qualitative criminology and the ways in which rigorous qualitative research contributes to theorizing about crime and justice

Investigative Ethics Seumas Miller, Ian A. Gordon, 2014-03-19 *Investigative Ethics* Ethics for Police Detectives and Criminal Investigators presents applied philosophical analyses of the ethical issues that arise for police detectives and other investigators in contemporary society Explores ethical issues relating to investigative independence rights of victims and suspects use of informants entrapment privacy and surveillance undercover operations deception and suspect interviewing Represents the first monograph providing a detailed consideration of ethical issues in police investigations Features authorship by an applied philosopher specializing in police ethics and a former UK senior police officer Combined authorship ensures the text is anchored in actual police practice as well as providing high quality ethical analysis

White-Collar Crime Brian K. Payne, 2011-11-04 *White Collar Crime A Text Reader* part of the text reader series in criminology and criminal justice incorporates contemporary and classic readings some including policy implications accompanied by original text that provides a theoretical framework and context for students The comprehensive coverage of the book includes crimes by workers sales oriented systems crimes in the health care system crimes by criminal justice professionals and politicians crimes in the educational system crimes in the economic and technological systems crimes by employees in the housing industry corporate crime environmental crime explanations of white collar crime the police and court responses to white collar crime and the corrections sub system and white collar crime Features of the book include key points in focus box inserts discussion questions section summaries and photos

Street Stories Robert Jackall, 2009-08-05 Based on years of fieldwork with the New York City Police Department and the District Attorney of New York this book examines the moral ambiguities of the detectives world as they shuttle between the streets and a bureaucratic behemoth

The Routledge

Companion to Anthropology and Business Raza Mir, Anne-Laure Fayard, 2020-06-11 Interest in anthropology and ethnography has been an ongoing feature of organizational research and pedagogy this book provides a key reference text that pulls together the different ways in which anthropology infuses the study of organizations both epistemologically and methodologically The volume hosts key scholars and experts within the fields of Organizational Anthropology Organizational Ethnography Organizational Studies and Qualitative Research The book provides a combination of methodological guidelines exemplars and epistemological reflection It includes methodological viewpoints ethnographic journeys within organizations as well as beyond organizations and individual reflections on challenges faced by organizational ethnographers This book is aimed at PhD master and advanced undergraduate students and researchers across disciplines especially those who are engaged with general management organizational behaviour strategy and anthropological ethnographic issues **Cultures**

and Societies in a Changing World Wendy Griswold, 2012-01-10 In the Fourth Edition of *Cultures and Societies in a Changing World* author Wendy Griswold illuminates how culture shapes our social world and how society shapes culture She helps students gain an understanding of the sociology of culture and explore stories beliefs media ideas art religious practices fashions and rituals from a sociological perspective Cultural examples from multiple countries and time periods will broaden students global understanding They will develop a deeper appreciation of culture and society glean insights that will help them overcome cultural misunderstandings conflicts and ignorance equip them to be more effective in their professional and personal lives and become wise citizens of the world The Oxford Handbook of Police and Policing

Michael D. Reisig, Robert J. Kane, 2014-03-31 The police are perhaps the most visible representation of government They are charged with what has been characterized as an impossible mandate control and prevent crime keep the peace provide public services and do so within the constraints of democratic principles The police are trusted to use deadly force when it is called for and are allowed access to our homes in cases of emergency In fact police departments are one of the few government agencies that can be mobilized by a simple phone call 24 hours a day 7 days a week They are ubiquitous within our society but their actions are often not well understood The Oxford Handbook of Police and Policing brings together research on the development and operation of policing in the United States and elsewhere Accomplished policing researchers Michael D Reisig and Robert J Kane have assembled a cast of renowned scholars to provide an authoritative and comprehensive overview of the institution of policing The different sections of the Handbook explore policing contexts strategies authority and issues relating to race and ethnicity The Handbook also includes reviews of the research methodologies used by policing scholars and considerations of the factors that will ultimately shape the future of policing thus providing persuasive insights into why and how policing has developed what it is today and what to expect in the future Aimed at a wide audience of scholars and students in criminology and criminal justice as well as police professionals the Handbook serves as the definitive resource for information on this important institution Emotion in Organizations

Stephen Fineman, 2000-09-05 This Second Edition contains key themes with all new contributors and is a completely separate work from the first. *Emotion in Organization* presents original work from leading scholars in the field. They engage with emotion as a qualitative phenomenon which shapes and is shaped by organizational life. Examining how emotion cannot be simply separated from thinking, judgment, decision making, and other so-called rational organizational processes, the book challenges us to build a passionate theory of organizations. The introduction reviews the expansion of organizational emotion studies and their appeal to several social scientific disciplines. Divided into four parts, the book reveals through stories, interviews, and case studies the expansion of organizational emotion studies and their appeal to several social scientific disciplines.

The Stickup Kids Randol Contreras, 2013 Randol Contreras came of age in the South Bronx during the 1980s, a time when the community was devastated by cuts in social services, a rise in arson and abandonment, and the rise of crack cocaine. For this riveting book, he returns to the South Bronx with a sociological eye and provides an unprecedented insider's look at the workings of a group of Dominican drug robbers. Known on the streets as Stickup Kids, these men raided and brutally tortured drug dealers storing large amounts of heroin, cocaine, marijuana, and cash. As a participant observer, Randol Contreras offers both a personal and theoretical account for the rise of the Stickup Kids and their violence. He mainly focuses on the lives of neighborhood friends who went from being crack dealers to drug robbers once their lucrative crack market opportunities disappeared. The result is a stunning, vivid, on-the-ground ethnographic description of a drug robbery's violence, the drug market, high life, the criminal life course, and the eventual pain and suffering experienced by the casualties of the Crack Era. Provocative and eye-opening, *The Stickup Kids* urges us to explore the ravages of the drug trade through weaving history, biography, social structure, and drug market forces. It offers a revelatory explanation for drug market violence by masterfully uncovering the hidden social forces that produce violent and self-destructive individuals. Part memoir, part penetrating analysis, this book is engaging, personal, deeply informed, and entirely absorbing.

Image Makers Robert Jackall, Janice M. Hirota, 2000 Everywhere we turn, we are exhorted to spend money, join organizations, rally to causes, or express outrage. *Image Makers* is a comprehensive analysis of this age of modern advocacy, from commercials to public service ads to government propaganda and its roots in advertising and public relations.

Interrogating Ethnography Steven Lubet, 2018 In this comprehensive review of urban ethnography, Steven Lubet encountered a field that relies heavily on anonymous sources, often as reported by a single investigator whose underlying data remain unseen. Upon digging into the details, he discovered too many ethnographic assertions that were dubious, exaggerated, tendentious, or just plain wrong. Employing the tools and techniques of a trial lawyer, Lubet uses original sources and contemporaneous documentation to explore the stories behind ethnographic narratives. Many turn out to be accurate, but others are revealed to be based on rumors, folklore, and unreliable hearsay. *Interrogating Ethnography* explains how qualitative social science would benefit from greater attention to the quality of evidence and provides recommendations for bringing the field more closely in line with other fact-based disciplines such as law and journalism.

Latino Homicide Ramiro Martinez, Jr., 2014-10-24 Latino

Homicide is the first empirically based but readable book for courses to counter the conventional wisdom that immigrant populations only contribute crime to their communities. For this second edition, Martinez further emphasizes his argument with updated data and the addition of a new city, San Antonio. With fascinating case studies from police reports and actual cases from six varied cities, Latino homicide rates are revealed to be markedly lower than one would expect given the economic deprivation of these urban areas. Far from dangerous or criminal, these communities often have exceptionally strong social networks precisely because of their shared immigrant experiences. Martinez skillfully refutes negative stereotypes in a coherent and critically rigorous analysis of the issues.

Wild Cowboys Urban Marauders And The Forces Of Order Introduction

In the digital age, access to information has become easier than ever before. The ability to download Wild Cowboys Urban Marauders And The Forces Of Order has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Wild Cowboys Urban Marauders And The Forces Of Order has opened up a world of possibilities. Downloading Wild Cowboys Urban Marauders And The Forces Of Order provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Wild Cowboys Urban Marauders And The Forces Of Order has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Wild Cowboys Urban Marauders And The Forces Of Order. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Wild Cowboys Urban Marauders And The Forces Of Order. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Wild Cowboys Urban Marauders And The Forces Of Order, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Wild Cowboys Urban Marauders And The Forces Of Order has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

FAQs About Wild Cowboys Urban Marauders And The Forces Of Order Books
