Wild Party The Lost Classic:

The Wild Party Art Spiegelman, Joseph Moncure March, 1999-03-23 Art Spiegelman's sinister and witty black and white drawings give charged new life to Joseph Moncure March's *The Wild Party* a lost classic from 1928 The inventive and varied page designs offer perfect counterpoint to the staccato tempo of this hard boiled jazz age tragedy told in syncopated rhyming couplets Spiegelman's drawings are like demonic woodcuts every angle line and curve jumps out at you Stylishness and brutishness are in perfect accord The New York Times Here is a poem that can make even readers with no time for poetry stop dead in their tracks Once read large shards of this story of one night of debauchery will become permanently lodged in the brain When *The Wild Party* was first published Louis Untermeyer declared It is repulsive and fascinating vicious and vivacious uncompromising unashamed and unremittingly powerful It is an amazing tour de force *The Wild Party* Joseph Moncure March, 1994 When first published in 1928 this story of one night of debauchery in the life of a Vaudeville dancer became a scandalous success *The Wild Party* is now given new life and expression with March's text accompanied by more than 75 remarkable drawings by Art Spiegelman The Wild Party Art Spiegelman, 2020-07-21 Spiegelman's drawings are like demonic woodcuts every angle line and curve jumps out at you Stylishness and brutishness are in perfect accord The New York Times Art Spiegelman's sinister and witty black and white drawings give charged new life to Joseph Moncure March's *Wild Party* a lost classic from 1928 The inventive and varied page designs offer perfect counterpoint to the staccato tempo of this hard boiled jazz age tragedy told in syncopated rhyming couplets Here is a poem that can make even readers with no time for poetry stop dead in their tracks Once read large shards of this story of one night of debauchery will become permanently lodged in the brain When *The Wild Party* was first published Louis Untermeyer declared It is repulsive and fascinating vicious and vivacious uncompromising unashamed and unremittingly powerful It is an amazing tour de force

Artful Breakdowns Georgiana Banita, Lee Konstantinou, 2023-03-02 Contributions by Georgiana Banita Colin Beineke Harriet Earle Ariela Freedman Liza Futerman Shawn Gilmore Sarah Hamblin Cara Koehler Lee Konstantinou Patrick Lawrence Philip Smith and Kent Worcester A carefully curated wide ranging edited volume tracing Art Spiegelman's exceptional trajectory from underground rebellion to mainstream success *Artful Breakdowns: The Comics of Art Spiegelman* reveals his key role in the rise of comics as an art form and of the cartoonist as artist The collection grapples with Spiegelman's astonishing versatility from his irreverent underground strips influential avant garde magazine RAW the expressionist style of the comics classic *Maus* the illustrations to the Jazz Age poem *The Wild Party* and his response to the September 11 terrorist attacks to his iconic cover art for the New Yorker his children's books and various cross media collaborations The twelve chapters cut across Spiegelman's career to document continuities and ruptures that the intense focus on *Maus* has obscured yielding an array of original readings Spiegelman's predilection for collage improvisation and the potent protest of silence shows his allegiance to modernist art His cultural critique and anticapitalist antimilitary

positions shed light on his vocal public persona while his deft intertextual strategies of mixing media archives from comics to photography and film amplify the poignance of his works Developing new approaches to Spiegelman's comics such as the publication history of *Maus* the history of immigration and xenophobia and the cartoonist's elevation of children's comics the collection leaves no doubt that despite the accolades his accessible comics have garnered we have yet to grasp the full range of Spiegelman's achievements in the realm of comics and beyond

In the Studio Todd Hignite, 2007-09-21 Nine critically acclaimed cartoonists and graphic novelists invite us into their studios to discuss their art and inspirations These studio visits with some of today's most popular and innovative comic artists present an unparalleled look at the cutting edge of the comic medium The artists some of whom rarely grant interviews offer insights into the creative process their influences and personal sources of inspiration and the history of comics The interviews amount to private gallery tours with the artists commenting now thoughtfully now passionately on their own work as well as the works of others The book is generously illustrated with full color reproductions of the artists works including some that have been published and others not originally intended for publication such as sketchbooks and personal projects Additional illustrations show behind the scenes working processes of the cartoonists and particular works by others that have influenced or inspired them Through the eyes of these artists we see with a new clarity the achievement of contemporary cartoonists and the extraordinary possibilities of comic art
