The Making of a King Benjamin Osei Kuffour Jr., 2025-01-06 Information on the making of a king the making of a king is a prerequisite to office politics It places high premium on the processes we must go through before we get to the throne where god wants to elevate us to Despite the challenges in life especially the goliath challenge god enables us to surmount all those insurmountable hurdles during our journey with him Information on marriage is not a bed of roses marriage is a sacred institution made by god but we humans use marriage contrary to how god designed it Some ladies marry to please friends prove a point to their parents still others marry because everybody is marrying Some marry because they are frustrated with their growing God created marriage for three main reasons sharing support and respect honor Information on turning failure into success success is not something you do once but something you do repeatedly Success is a culmination of hard work preparation perseverance endurance vision and an unremitting devotion to the things you wanna see happen Information on things that destroy us there are a lot of things we do that destroy us and I focused on three bitterness bad friends and greed In life never be bitter over past hurts and disappointment because it will poison every good thing that god has planted in you Evil company corrupts good habits so do not joke with it Never be greedy over anything in life because you will not be buried with your earthly possessions Nothing lasts forever except god and his word
