

WILDWOOD CREEK

A woman with long, dark, wavy hair, seen from the back, is wearing a white, sleeveless, flowing dress. She is looking out over a vast, open landscape at sunset. The sky is a mix of orange, yellow, and light blue, with some wispy clouds. In the distance, a small figure of a person is visible on the horizon. The overall mood is serene and contemplative.

Dr Snyder is a marriage counselor with a heavy clientele. With two couples who need more help than the rest, she sends them on a weekend getaway with the promise of bringing them closer. Fresh has no interest in being at anyone's creek, especially during Halloween. However, being desperate to get back on the same page with his soon-to-be wife Nesha, he obliges. Nesha is down for anything that she thinks will put the spark back in their relationship. Since her fiancé's return from his hometown in Baltimore, something has been different. Sean and Essence are keeping their own secrets from one another. Essence's once small business has exceeded her expectations and keeps her out of town. Sean is excited to get a weekend of his wife's undivided attention, yet Wildwood and its guests may still be a little too close to home. Not long after their arrival, the couples receive an invite to a game night, and it takes no time for them to realize that the only person having fun this Halloween night is Dr. Snyder. With each game forcing them to tell a bigger truth or face a deadly consequence, they will certainly leave closer. If they even leave at all. Will the truth set these couples free or make them suffer this Halloween getaway? Wildwood Drusilla Campbell, 2011-01-28. From the acclaimed author of *Blood Orange* comes this unforgettable, mesmerizing tale of the power of friendships and the secrets that can destroy them. It has been over thirty years since the words Bluegang Creek passed their lips. Because something that happened near that shady stream has shaped their lives and haunted their darkest hours. Now Liz can no longer bear the silence. What she is about to bring out into the light will test the very limits of friendship and take all three women back to that fateful summer day when their innocence was shattered forever. A novel of friendship and forgiveness, *Wildwood* brings to life the lengths to which women will go to protect themselves and each other in the name of loyalty and in the name of love. The pull of family and career, the limits of friendship and the demands of love all come to vivid life in *Wildwood*. Susan Vreeland, author of *Girl in Hyacinth Blue*, resists the urge to turn the page to find out what happens next. Linger instead to savor the skillfully crafted writing. Judy Reeves, author of *The Writer's Book of Days*.
