William Howard Taft David Henry Burton, 2004 All this is spelled out in William Howard Taft Confident Peacemaker a landmark study relying on historical analysis and supplemented by critical documentation BOOK JACKET **William Howard Taft** David Henry Burton, 2004 All this is spelled out in William Howard Taft Confident Peacemaker a landmark study relying on historical analysis and supplemented by critical documentation BOOK JACKET William Howard Taft: Confident Peacemaker David H. Burton, 2021 This book is a study of the internationalism of William Howard Taft In the months after war broke out in 1914 Taft was second only to Woodrow Wilson in his awareness of the need to preserve the peace of the world through a new version of international organization Built upon a synthetic interpretation of Taft's foreign policy ideas and initiatives the book encompasses the whole of his public career as a statesman from his years as civil governor of the Philippines through his tenure as chief justice of the Supreme Court During those years he moved from a basic belief in the theory and practice of balance of power to the application of dollar diplomacy In response to the calamity of World War I Taft came to recognize that world peace must be based upon a combination of idealism and realism of high minded principles placed and kept in effect by force deliberately chosen and carefully applied **William Howard Taft**, 1930 *William Howard Taft, in the Public Service* David Henry Burton, 1986 Theodore Roosevelt and the Art of American Power William R. Nester, 2019-02-28 Theodore Roosevelt is an American icon his face carved in granite alongside those of Washington Jefferson and Lincoln on Mt Rushmore He is the only American awarded both the Medal of Honor and Nobel Peace Prize As president he pushed through a stubborn Congress to breakup corporate monopolies strangling the economy impose health standards on the food and drug industries and conserve America's natural heritage including the Grand Canyon and Redwood forest He was a brilliant diplomat who ended a war between Japan and Russia and prevented a war between Germany and France He engineered independence for the province of Panama from Columbia then signed a treaty with the new country that entitled the United States to build run and defend a Panama canal He crusaded for progressive reforms as a New York assemblyman U S civil service commissioner New York City police commissioner and New York governor He led scientific expeditions across East Africa's savanna and Brazil's rainforest During the war with Spain he raised a cavalry regiment and led his Rough Riders to a decisive victory at San Juan Heights As a Dakota rancher during the frontier's twilight he squared off with outlaws and renegade Indians He was a prolific writer authoring 38 books and hundreds of essays Roosevelt was among the most charismatic presidents Yet although most Americans adored him most Wall Street moguls and political bosses hated him for his reforms He was complex simultaneously peacemaker and warmonger progressive and conservative Machiavellian and Kantian avid hunter and nature lover Roosevelt accomplished all that he did because he mastered the art of American power His motto speak softly and carry a big stick exemplified how he asserted power to defend or enhance American interests Time after time he bested such titans as J P Morgan or Kaiser

Wilhelm at the game of power Although he is the subject of dozens of books this is the first to comprehensively explore just how Roosevelt understood massed and wielded power to pursue his vision for an America as the world's most prosperous just and influential nation

Life After Power Jared Cohen, 2024-02-13 This informative highly readable The Wall Street Journal New York Times bestselling book from the author of the bestseller *Accidental Presidents* explores what happens after the most powerful job in the world President of the United States Former presidents have an unusual place in American life King George III believed that George Washington's departure after two terms made him the greatest character of the age But Alexander Hamilton worried former presidents might wander among the people like ghosts They were both right *Life After Power* tells the stories of seven former presidents from the Founding to today Each changed history Each offered lessons about how to decide what to do in the next chapter of life This book follows the exceptional lives of past presidents including Thomas Jefferson whose time after the White House saw him shaping public debates and founding the University of Virginia an accomplishment he included on his tombstone unlike his presidency John Quincy Adams who served in Congress and became a leading abolitionist passing the torch to Abraham Lincoln Grover Cleveland who was the only president in American history to serve a nonconsecutive term William Howard Taft who became Chief Justice of the Supreme Court Herbert Hoover who shaped the modern conservative movement led relief efforts after World War II reorganized the executive branch and reconciled John F Kennedy and Richard Nixon Jimmy Carter who had the longest post presidency in American history advancing humanitarian causes human rights and peace George W Bush who made a clean break from politics bringing back George Washington's precedent and reminding the public that the institution of presidency is bigger than any person Jared Cohen explores the untold stories in the final chapters of these presidents' lives offering a unique and fascinating look at how seven individuals made the transition from the most powerful position in the world to consequential and fulfilling lives post presidency Condoleezza Rice 66th Secretary of State He tells how they handled very human problems of ego finances and questions about their legacy and mortality He shows how these men made history after they left the White House

William Howard Taft and the Philippines Adam D. Burns, 2023-08-18 Born in Civil War era Cincinnati in 1857 William Howard Taft rose rapidly through legal judicial and political ranks graduating from Yale and becoming a judge while still in his twenties In 1900 President William McKinley appointed Taft to head a commission charged with preparing the Philippines for US led civil government setting the stage for Taft's involvement in US Philippine relations and the development of his imperial vision across two decades While biographies of Taft and histories of US Philippine relations are easy to find few works focus on Taft's vision for the Philippines that despite a twenty year crusade would eventually fail William Howard Taft and the Philippines fills this void in the scholarship taking up Taft's vantage point on America's imperialist venture in the Philippine Islands between 1900 and 1921 Adam D Burns traces Taft's course through six chapters beginning with his years in the islands and then following it through his tenure as President Roosevelt's secretary of war his

term as president of the United States and his life after departing the White House Across these years Taft continued his efforts to forge a lasting imperial bond and prevent Philippine independence Grounded in extensive primary source research William Howard Taft and the Philippines is an engaging work that will interest scholars of Philippine history American foreign policy imperialism the American presidency the Progressive Era and more **Animating History** David Henry Burton, 2007 *Chronology of the U.S. Presidency* Mathew Manweller, 2012-03-19 This engaging and authoritative four volume resource offers fascinating portrayals of the 44 men who have achieved the ultimate seat of power in the United States the presidency From George Washington to Barack Obama *Chronology of the U S Presidency* portrays each of the nation s chief executives in richly observed detail Chapter by chapter we meet the real flesh and blood men occupying the one office elected by the entire country the office that most profoundly affects the workings of the government U S relations with other countries and the everyday lives of all American citizens Spanning four volumes this work covers each president s early life and rise to power the pivotal events during his presidency and when applicable his post presidential life In addition the book includes sections on the First Ladies and presidential families plus primary source documents speeches memos messages to Congress and entertaining FYI facts for example once bitter rivals John Adams and Thomas Jefferson died hours apart on the 50th anniversary of the Declaration of Independence they helped create together More than just names and dates history *Chronology of the U S Presidency* helps readers understand the ways each of these intriguing men changed the country and how he in turn was impacted by his time in power *American Presidents* Robert P.
