such as the meaning of sin original sin the sin nature within the Christian the sin that brings death and the solution for sin This study will enhance your understanding of this important biblical subject The Christian Approach Corey Fabricatore,2022-07-06 Prayer is one of the most important aspects of the Christian life Prayer is so important that Jesus made it a point to show his followers how to pray using the Lord s Prayer when he taught the Sermon on the Mount It is paramount for Christians to understand the Lord s Prayer and how to pray to God using the method that Jesus taught us The Christian Approach The Lord s Prayer brings that understanding in a clear and concise way In The Christian Approach The Lord s Prayer Pastor Roland Preisler and Corey Fabricatore provide a comprehensive biblical examination of what prayer is crucial information regarding the prayer what the individual elements of the Lord s Prayer are and what s the meaning behind each element of the Lord s Prayer By the end of this book you are sure to have a better understanding and appreciation for that infamous prayer that our Lord and Savior Jesus Christ taught Morning and Evening Meditations from the Word of God Michael J. Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God One Flesh Joe Fogle,2007-05-05 On the sixth day of creation God formed Adam from the dust of the earth God then formed Eve from Adam s side From this day forward man was to leave his father and mother and cleave to his wife The two are joined together by God in a permanent one flesh relationship After man fell the sins of adultery fornication polygamy and divorce altered God s intention for marriage This was true of those both outside and inside God s covenant community By the time the Lord Jesus Christ came in the flesh the traditions of Judaism had either changed or nullified God s command for marriage The Lord Jesus Christ came and stated God s original intent for marriage 1 Permanence The husband and wife are one flesh They are permanently joined in a covenant relationship for life No person has the legal or moral authority to end what God has joined together No sin or legal document can dissolve the one flesh bond 2 Forgiveness This is Christ s emphasis in dealing with sin When one spouse fails the love of Christ compels the other to forgive Hardness of heart is the cause of unforgiveness and results in divorce Because of the biblical teachings of Jesus and Paul the early church held to the permanence of marriage Over the centuries Christ s commands on the permanence of marriage have been either changed or nullified They have been replaced with the traditions of men In theory Christians are taught that they may divorce and remarry if their spouse commits adultery or deserts them In practice many evangelical Christians are divorcing and remarrying for almost any reason The Lord Jesus Christ taught God s original

intentions regarding forgiveness and divorce The Word of God has not changed What God has joined together let no man separate Mark 10 9 The World's Work ,1923
