LEGOUIS, 2018 William Wordsworth and Annette Vallon (Classic Reprint) Emile Legouis, 2015-07-19 Excerpt from William Wordsworth and Annette Vallon I am deeply grateful to Mr Gordon Wordsworth the lineal descendant of the poet for his courteous communications and especially for his positive assurance that no traces of Annette and Caroline subsist in the family papers that have been preserved for it would have been unjustifiable to give to the world a fragmentary and often conjectural story of the episode so long as there remained a possibility of having a more thorough account of the poet's doings and feelings It is a pleasant duty to express my thanks to M Guy Trouillard already mentioned and M Jacques Soyer the Archivist of Loiret to M Pinault About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works WILLIAM WORDSWORTH AND ANNETTE VALLON.
