Bruce Elliott Johansen

William Weatherford His Country And His People:

William Weatherford Lynn Hastie Thompson,1991 William Weatherford 1780 1824 also known as Red Eagle was a son of Charles Weatherford and Sehoy a princess of the Creek Nation He married 1 Mary Moniac died 1804 in 1801 2 Sofath Kaney Moniac died 1824 in 1813 and 3 Mary Stiggins died 1832 in 1817 Altogether he fathered nine children three of whom lived to marry and raise families William was a chief of the Creek Nation and participated in many battles against the Euro Americans After his death his tribe was forced to remove to Oklahoma but many of his descendants still live in Alabama and surrounding states **William Bartram and the American Revolution on the Southern Frontier** Edward J.

Cashin,2007-02-04 In *Travels* the celebrated 1791 account of the Old Southwest William Bartram recorded the natural world he saw around him but rather incredibly omitted any reference to the epochal events of the American Revolution Edward J Cashin places Bartram in the context of his times and explains his conspicuous avoidance of people places and events embroiled in revolutionary fervor Cashin suggests that while Bartram documented the natural world for plant collector John Fothergill he wrote *Travels* for an entirely different audience Convinced that Providence directed events for the betterment of mankind and that the Constitutional Convention would produce a political model for the rest of the world Bartram offered *Travels* as a means of shaping the new country Cashin illuminates the convictions that motivated Bartram that if Americans lived in communion with nature heeded the moral law and treated the people of the interior with respect then America would be blessed with greatness **A Brutal Reckoning** Peter Cozzens,2024-09-03 The story of the pivotal struggle between the

Creek Indians and an insatiable young United States for control over the Deep South from the acclaimed historian and prize winning author of *The Earth is Weeping* The Creek War is one of the most tragic episodes in American history leading to the greatest loss of Native American life on what is now U S soil What began as a vicious internal conflict among the Creek Indians metastasized like a cancer The ensuing Creek War of 1813 1814 shattered Native American control of the Deep South and led to the infamous Trail of Tears in which the government forcibly removed the southeastern Indians from their homeland The war also gave Andrew Jackson his first combat leadership role and his newfound popularity after defeating the Creeks would set him on the path to the White House In *A Brutal Reckoning* Peter Cozzens vividly captures the young Jackson describing a brilliant but harsh military commander with unbridled ambition a taste for cruelty and a fraught sense of honor and duty Jackson would not have won the war without the help of Native American allies yet he denied their role and even insisted on their displacement together with all the Indians of the American South in the Trail of Tears A conflict involving not only white Americans and Native Americans but also the British and the Spanish the Creek War opened the Deep South to the Cotton Kingdom setting the stage for the American Civil War yet to come No other single Indian conflict had such significant impact on the fate of America and *A Brutal Reckoning* is the definitive book on this forgotten chapter in our history Historical and Patriotic Series: Owen, T.M. Our state ,1927 **A Conquering Spirit** Karni R. Perez,Gregory

A. Waselkov, 2006-11-04 The August 30 1813 massacre at Fort Mims involving hundreds of dead men women and children was just such a spark *Our Pioneers* Augustus Lynch Mason, 1904 **The Proceedings of the South Carolina Historical Association** South Carolina Historical Association, 1998 **Our State--Alabama** Thomas McAdory Owen, 1927 *The romance and tragedy of pioneer life* Augustus Lynch Mason, 1883 *The Native Peoples of North America* Bruce Elliott Johansen, 2006 Covering Central America the United States and Canada this book not only provides an introduction to the history of North American Indians but also offers a description of the material and intellectual ways that Native American cultures have influenced the life and institutions of people across the globe **The Bringing of Wonder** Michael Morris, 1999-04-30 In the relations between colonial European traders and the Indians of the southern backcountry trade was a powerful manipulative tool used by both sides in their attempts to control each other This anthropological and sociological study examines how European traders sought out native women as cultural instructors translators and sexual companions The network of native women fur traders and colonial diplomats functioned as an invisible social political and economic web throughout the backcountry Although this web was an integral part of the colonial struggle for the region it is often overlooked or ignored in conventional histories Women played a key role in this system of economic exchange They benefitted materially from this arrangement while the traders enjoyed increased political power as a result of the cohabitation These Anglo Indian unions helped to impose Euroamerican values on native societies and in part the women functioned as unofficial diplomats for their people Colonial governments hoped that the efforts of these frontier traders would impose stability on the tribes but the profit seeking of many such traders often resulted in bloody conflict instead **A Brief History of Baldwin County** Martha M. Albers, 1928 An effort to put in brief but permanent form the many scattered records of historic Baldwin **Indian Wars and Famous Frontiersmen** Augustus Lynch Mason, 1904 *Publications*, 1927 **The McGillivray and McIntosh Traders on the Old Southwest Frontier, 1716-1815** Amos J. Wright, 2001 Amos Wright unveils exhaustive research following origins and background of the McIntosh and McGillivray families as they made their way across the ocean to the American frontier This annotated history delves into the harsh and often violent lives of Scottish traders living on the frontier of colonial America Indian Territory, Descriptive, Biographical and Genealogical D. C. Gideon, 1901 **Annual Report of the Bureau of American Ethnology to the Secretary of the Smithsonian Institution** Smithsonian Institution. Bureau of American Ethnology, 1900 *Annual Report of the Bureau of American Ethnology to the Secretary of the Smithsonian Institution*, 1900 Annual report of the Bureau of ethnology to the Secretary of the Smithsonian Institution **History of Macoupin County, Illinois**, 1879 **Publications. Centenary Series** Mississippi Historical Society. (Founded 1890), 1921
