The Long and Winding Road Lionel B. Harris, 2013-10-25 According to biblical doctrine God first created people in the universe with a hierarchy of holy angels with the highest order being identified as cherubim One of them who was anointed and perhaps the most elitist cherub amongst them knew he was created beautiful and perfect in his ways Alternately with pride and arrogance at the forefront that same being became the supreme architect and advocate for sin evil and untold suffering Henceforth the diabolical Satan was loosed upon the world Tragically from time to time beauty is in the fabled beast Handsome man and beautiful women may be pleasing to the eyes and their good looks may even grant them unearned favor but their inner nature is a virtual mystery They might be evil incarnated Meanwhile the not so attractive individuals are oftentimes ignored and generally devalued all dependent upon the beholder But possibly the inner core of that select person could render him or her almost angelic like

Lifes long and winding road is lined with so called beautiful and so called unattractive people However through faith and Gods grace and not the naked eye the lonely traveler may be able to distinguish which is which And that'll make lifes journey worthwhile All too often a young man fathers a child and assumes that that in itself validates his manhood Initially as a new dad he might even feel that all is right with the new world and his future looms bright In many cases its a heartfelt euphoria that defies description However when the novelty wears off and reality returns a rather lengthy journey commences To the mothers credit and merit she usually accompanies her offspring on lifes long and winding road but far too frequently the once proud father falters or completely vanishes along the way Arguably so its serious and impactful tragedy for the mother the absentee father the child and sometimes the world at large The good news is this however One size fits all

meager gloomy or dire it might be does not necessarily dictate their impending future Through their own resilience paired with a burning desire to overcome their childhoods deficiencies they alternately walk a pathway less hazardous And sometimes when sincere loved ones step forward it renders lifes journey well worthwhile and almost superlative And thats a road well worth embarking upon Survivor's Journey Meadow Fields,2025-03-09 Meadow Fields spent her childhood with despicable men As a girl she felt lost used and dirty and she wrote this book to help others who have felt the same way Growing up she was told she did not matter and when she reported sexual abuse she was called a liar As a result she struggled to trust anyone While she s made lots of headway flashbacks have been with her all her life and the only way she s been able to continue is with the help of Jesus Christ In this book she strives to provide hope and encourage others by drawing on lessons from Scripture to inspire victims She emphasizes that every day you wake up is a day of purpose and that your life has value While we may not always understand why we re facing certain struggles or how things will work out God will always make a way Join the author as she shares how her faith and courage allowed her to overcome trauma **Anna and Darel** Jim McConkey,2024-09-13 Who were these parents who had lived in a tent on an island in the Potomac River during the Depression while the father wrangled WPA guidebooks toward publication and later wrote speeches for the Senator investigating cartels during World War II wrote the book on foot and mouth disease and crossed swords with Joe McCarthy s inquisition Who was the mother who hadn t worked in thirty years yet fended off financial disaster after her husband s early death At his mother s death seventeen years later the questions still lingered leaving a void which Jim McConkey fills with a compelling narrative From drinking wet and voting dry during Prohibition to starving as a freelance writer in the Depression the WPA Writer s Project the early days of commercial air travel and the international cartels that thwarted America s war mobilization and led to civilian rationing McConkey s story captivates and informs And finally that gorgeous farm in the foothills of Virginia s Blue Ridge Mountains is vividly preserved The family s history stored in a four drawer filing cabinet stuffed with family papers is brought to life in this loving parental biography **The Diary of a Nobody** George Grossmith,Weedon Grossmith,1918 **Inside** Scott Hoffman,2016-03-10 Inside by Scott M Hoffman Inside by Scott M Hoffman is an intriguing work detailing the internal workings of the Outfit an organized crime family which originated on the South Side of Chicago during prohibition and rose to power in the 1920s The Outfit has been involved in a wide variety of criminal activities including gambling loan sharking prostitution drug trafficking money laundering extortion labor racketeering adult and child pornography political corruption and murder The individuals and events in Inside are composites of real people and real events Inside begins in 1956 with Jimmy Williams a 47 year old man with two families his wife and two children and the Outfit He s a good man a good husband and a good father while at the same time he is a physically powerful man who is well respected as a consigliere in the Outfit He keeps his two lives separated to the point his wife is unaware of what he does The story is written from the perspective of Jimmy s son Bobby who from the age of 8 begins
