Charismatic Edge: The Art of Captivating and Compelling Communication Owen Fitzpatrick, 2013-03-27 The rules of communication are radically different than ever before Standing out and being counted is no longer just an advantage It is a necessity You are your own brand and unless you learn how to shine you'll be left behind Whether you are looking to get a promotion become a better leader master public speaking build your business sell more improve your love life social life or even your networking skills you need to be more effective at engaging people you need to be more effective at branding yourself and making an impact on others Charisma is a must And here's the good news You can learn it Find out The secrets that the best speakers screenwriters comedians politicians and gurus know about impacting their audience The keys to supreme self confidence and high self esteem How you can use your body voice and energy to influence others How to create an irresistible first impression instantly What only the very best business leaders sales people marketing executives advertisers and world class negotiators all understand about winning the hearts and minds of their teams and customers Charisma is often misunderstood as a quality that some people have but others don't In this book you'll learn how in reality charisma is an impression you create in the mind of another person which can be improved and mastered by anyone including you **Spellbound** Molly Worthen, 2025-05-27 What happens when Americans lose faith in their religious

institutions and politicians fill the void From the Puritans to Donald Trump this sweeping history will change your understanding of the forces that create leaders and hold their followers captive Elegant and insightful Spellbound is an important contribution to the urgent project of understanding America in our time Jon Meacham Everyone feels it Cultural and political life in America has become unrecognizable and strange Firebrands and would be sages have taken the place of

reasonable and responsible leaders Nuanced debates have given way to the smug confidence of yard signs How did we get here In *Spellbound* historian Molly Worthen argues that we will understand our present moment if we learn the story of charisma in America From the Puritans and Andrew Jackson to Black nationalists and Donald Trump the saga of American charisma Worthen argues stars figures who possess a dangerous and alluring power to move crowds They invite followers into a cosmic drama where hopes are fulfilled and grievances are put right and these charismatic leaders insist that they alone plot the way The story of charisma in America reveals that when traditional religious institutions fail to deliver on their promise of a meaningful life people will get their spiritual needs met in a warped cultural and political landscape dominated by those who appear to have the power to bring order and meaning out of chaos Charismatic leaders address spiritual needs offering an alternate reality where people have knowledge power and heroic status whether as divinely chosen instruments of God or those who will restore national glory Through Worthen's centuries spanning historical research *Spellbound* places a crucial religious lens on the cultural economic and political upheavals facing Americans today *Elements of Leaders of Character* Wayne Hogue, 2013-08-08 Leaders spend their lifetime learning leadership it is every leaders infinite responsibility Leadership is such an abstract personal and situational combination of art and skill that a cookie cutter recipe for anyone and everyone is an impossibility However becoming the kind of person the world desperately needs leading is certainly an attainable objective Though not simple the formula is found in *Elements of Leaders of Character* *Elements of Leaders of Character* is a leader development book but not just any kind of leader the kind of leader who wants to make a positive difference *Elements* is a detailed illustration of the most significant attributes practices and principles of leaders who highly value the quality of peoples character especially their own Leaders of character are people who care about the kind of person they are because they know the impact their character has on their own lives and world Leaders of character step up to lead because they want to make the world a better place by being a better person and leader If you want to be a leader or you are a leader and you are the kind of person who genuinely values ideals like commitment honor morality and respect you will readily discover how *Elements of Leaders of Character* applies directly to you your leadership and your success in life
