To War With God The Army Chaplain Who Lost His Faith:

To War with God Peter Fiennes, 2018 *To War with God* Peter Fiennes, 2011-09-01 To War With God is the moving account of Anglican chaplain Edward Montmorency Monty Guilford's service in the First World War. Written by his grandson, it draws on first-hand material including Monty's diaries, photographs and letters, tracing his journey from his first days on the Somme through the mud and terror of Cambrai to Belgium and the Army of Occupation. Along the way, Monty won the MC but lost his faith. The book also looks at the war lives of four men who had a powerful influence on Monty: his beloved brother-in-law Jack Bigger who went missing after only days at the Front; his friend Pullthrough, a poet and author of scintillating letters; Private Joseph Bateman, executed for desertion who spent his last night with Monty; and Dick Sheppard, the pacifist preacher who helped Monty back to health after the war. To War With God shows a man's faith in God being tested by an onslaught of horror. But it also shows the joy, the confusion and the humour of life as a clergyman in the war to end all wars.

The Clergy in Khaki Dr Edward Madigan, Dr Michael Snape, 2013-06-28 British army chaplains have not fared well in the mythology of the First World War. Like its commanders, they have often been characterized as embodiments of ineptitude and hypocrisy. Yet just as historians have reassessed the motives and performance of British generals, this collection offers fresh insights into the war record of British chaplains. Drawing on the expertise of a dozen academic researchers, the collection offers an unprecedented analysis of the subject that embraces military, political, religious and imperial history. The volume also benefits from the professional insights of chaplains themselves, several of its contributors being serving or former members of the Royal Army Chaplains Department. Providing the fullest and most objective study yet published, it demonstrates that much of the post-war hostility towards chaplains was driven by political, social or even denominational agendas, and that their critics often overlooked the positive contribution that chaplains made to the day-to-day struggles of soldiers trying to cope with the appalling realities of industrial warfare and its aftermath. As the most complete study of the subject to date, this collection marks a major advance in the historiography of the British army, of the British churches and of British society during the First World War, and will appeal to researchers in a broad range of academic disciplines. British Religion and the World Wars Clive Field, 2019-05-08 Religion did much to shape contemporary British opinion and behaviour during the First and Second World Wars, but it featured rather less in the initial historiography of either conflict. The situation has changed considerably in the past half-century, with a steadily increasing number of academic and popular outputs on the religious aspects of the wars. As key milestones in connection with the centenary of the First World War and the eightieth anniversary of the Second World War have occurred or approach, it seems an appropriate time to take bibliographical stock. This volume is the first to offer an in-depth listing of modern literature in English and other European languages on British religion and the First and Second World Wars, both on the home front and in combat zones. Coverage extends to Judaism and alternative religion as well as Christianity. More than 1,200 items are included, comprising monographs, book chapters, journal

articles and postgraduate theses They are arranged by subjects in separate sections on each war with cross references and a cumulative index of personal names Carefully compiled over several years by an accomplished religious historian and bibliographer the work will be an indispensable reference tool to those embarking on investigations into the religious landscape of Britain during the World Wars and those who wish to discover what has been written about their chosen field to date It will also help identify gaps in scholarship and encourage researchers to try and fill them *Ordinary Heroes* Sally White,2018-01-15 The major unsung humanitarian role of British civilians and charities in the Great War and the tremendous bravery and suffering of the volunteers **Woodbine Willie** Bob Holman,2013-04-17 Woodbine Willie was the affectionate nickname of the Reverend Geoffrey Studdert Kennedy an Anglican priest who volunteered as a chaplain on the Western Front during the First World War Renowned for offering both spiritual support and cigarettes to injured and dying soldiers he won the Military Cross for his reckless courage running into No Man s Land to help the wounded in the middle of an attack After the war Kennedy was involved in the Industrial Christian Fellowship and he wrote widely This superb biography is based on original interviews with those who knew and loved him A deep and real concern for his fellow men drove him relentlessly and this book shows how vital was the role he played on the battlefields of the trenches and then the slums Bob Holman described by the Daily Telegraph as the good man of Glasgow has made a mission of living alongside the disadvantaged of British society An accomplished writer who contributes regularly to the Guardian he is the author of several books including *Keir Hardie* The Flag Andrew Richards,2020-01-10 This well researched biography brings home something of what it was to be an army chaplain amid the battles in France and Flanders Methodist Recorder Between 1916 and 1918 chaplain David Railton supported the soldiers on the Western Front in their worst moments He buried the fallen comforted the wounded wrote to the families of the missing and killed and helped the survivors to remember and mark the loss of their comrades so that they were able to carry on He was with his men at many battles including High Wood the Aisne and Passchendaele He received the Military Cross for rescuing an officer and two men under heavy fire on the Somme It was Railton s idea to bring home the body of an unidentified fallen comrade from the battlefields to be buried in Westminster Abbey and on Armistice Day 1920 he was there in the Abbey as the Unknown Warrior was laid to rest with full honors Although suffering from post traumatic stress disorder he returned to work as a parish priest in Margate where he took particular interest in supporting ex servicemen who had returned home to the aftermath of a terrible war and crippling unemployment This is the first book to explore David Railton s life and the padre s flag he used as an altar cloth and shroud throughout the war the flag that was consecrated a year after the burial of the Unknown Warrior and hangs in Westminster Abbey to this day *Beyond Trauma: Hope and Healing for Warriors* Dean Bonura,2016-03-03 It is estimated that well over 250 000 military veterans from Iraq and Afghanistan are suffering today from PTSD and even more from post traumatic stress or PTS Clinical interventions alone do not adequately address all the issues associated with PTSD There is also a profound spiritual dimension to trauma and it is

frequently manifested in post trauma symptoms such as guilt grief and shame and in various forms of loss including loss of meaning loss of faith and loss of peace Pastors chaplains and Christian counselors have a legitimate healing role alongside clinicians in addressing the spiritual aspects of trauma through spiritual interventions that are based on Scripture and leverage new ways of viewing trauma and assumptions about its meaning Beyond Trauma Hope Healing for Warriors equips pastors chaplains and other pastoral caregivers with the knowledge and resources to not only understand the spiritual effects of trauma but to make appropriate interventions that will lead veterans in their churches and communities to healing and growth

The Literary Review ,2011 *Men of God, Men of War* Robert C. Doyle,2024-03-15 *Men of God Men of War* tells the stories of chaplains who have served in America s wars In his exploration of military chaplaincy author Robert Doyle poses questions about their brand of service to the United States He examines the complexities of the chaplains vocation the types of services they performed the roles they assumed in combat and as prisoners of war and how they interacted with the military personnel they served and supported Doyle explores the high price many paid for their commitment to their unique type of service Doyle illuminates the histories of chaplains who did their duty selflessly to God to their country to the soldiers sailors Marines and airmen with whom they found themselves in very dire circumstances over the past three hundred years Chaplains throughout American history have served bravely and selflessly at home and in the field both under fire and behind the wire Chaplains served as sources of motivation inspiration and peace for military personnel in times of hardship especially in captivity Doyle illustrates that while they are now treated as non combatants chaplains vital role as leaders cannot be underestimated or understated *Men of God Men of War* examines how chaplains performed under fire in hostile environments beginning with the Revolutionary War through the war on terror in Iraq and Afghanistan The chaplains of the Revolution were patriots first soldiers second and men of God third From the Civil War to modern times these men gave hope to the hopeless absolution to those soldiers who stood before their Maker before battles and faith in themselves and their comrades so necessary for men in combat Doyle s research shows that military chaplains have always remained necessary to men at war even in a modern secular military

To War With God The Army Chaplain Who Lost His Faith Introduction

In the digital age, access to information has become easier than ever before. The ability to download To War With God The Army Chaplain Who Lost His Faith has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download To War With God The Army Chaplain Who Lost His Faith has opened up a world of possibilities. Downloading To War With God The Army Chaplain Who Lost His Faith provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading To War With God The Army Chaplain Who Lost His Faith has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download To War With God The Army Chaplain Who Lost His Faith. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading To War With God The Army Chaplain Who Lost His Faith. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading To War With God The Army Chaplain Who Lost His Faith, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities

in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download To War With God The Army Chaplain Who Lost His Faith has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About To War With God The Army Chaplain Who Lost His Faith Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. To War With God The Army Chaplain Who Lost His Faith is one of the best book in our library for free trial. We provide copy of To War With God The Army Chaplain Who Lost His Faith in digital format, so the resources that you find are reliable. There are also many Ebooks of related with To War With God The Army Chaplain Who Lost His Faith. Where to download To War With God The Army Chaplain Who Lost His Faith online for free? Are you looking for To War With God The Army Chaplain Who Lost His Faith PDF? This is definitely going to save you time and cash in something you should think about.
