The Valley of Light Terry Kay,2010-03-16 A lyrical and poignant novel from one of America s greatest storytellers the author of To Dance with the White Dog On a sunny summer day in 1948 Noah Locke arrives in Bowerstown a small North Carolina community bordered by lakes and set deep in the Valley of Light A quiet simple man and a war veteran Noah has a mystical gift for fishing yet he remains haunted by the war and by the terrible scenes he witnessed when his infantry unit liberated Dachau His wandering doing odd jobs and catching fish for sale or trade is both an escape from his past and a search for a place to call home In the valley Noah is initially treated with amusement by the locals he meets at Taylor Bowers s general store until he begins fishing Once they see his almost magical skills however he becomes the talk of the valley and is urged to stay long enough to participate in the annual school fishing contest He agrees accepting a job offer by Taylor to paint his store when he isn t filling orders for fish He finds lodging in an abandoned shack by a small lake the locals call the Lake of Grief and also the Lake of No Fish because they think all the fish have disappeared Noah knows they are wrong Beneath the water is a warrior bass waiting to test Noah s gift In the way that innocence creates powerful events Noah meets Eleanor Cunningham a young widow whose husband

supposedly killed himself after returning home from the war Over the course of a week Noah will be led into the secret lives of the residents of the Valley of Light will join them as they mourn a tragedy and will experience a miracle that will guide him home at last Luminous memorable and deeply moving The Valley of Light is the finest work to date from a brilliant storyteller

The Book of Marie Terry Kay,2007 In spring 1962 a young black girl is killed at a civil rights demonstration on a university campus in Atlanta The next day a home in Georgia is burned Both events are etched into the memory of Cole Bishop eerily playing out the predictions of a former classmate named Marie Fitzpatrick Cole and Marie are high school seniors when they first meet in fall 1954 He is a native born Southerner accepting the traditions of segregation as a way of life Marie is a recent transplant from Washington DC a brilliant and assertive nonconformist with bold predictions about a new world that is about to be ushered in by desegregation The story revolves around the fiftieth reunion of the Overton High School class of 1955 The Book of Marie is the story of a generation whites and blacks who ignited the war of change Yet it is also as much about the power of place the finding of home as it is about the history of events To Whom the Angel Spoke Terry Kay,2009 A holiday classic about the power and unity of belief in the face of differences To Whom the Angel Spoke is the story of three shepherds who are as different as men can be One night those men hear a voice and because they believe the voice s words about the birth of Jesus they become alike In author Terry Kay s moving story the unifying power of simple belief transcends differences reminding us that as diverse as we are there is a celebration that can bring us all together
