Ultimate Of Home Plans:

Ultimate Book of Home Plans Editors of Creative Homeowner, 2015-04-01 Whether you've always dreamed of building your own home or can't find the right house from among the dozens you've toured this collection of ultimate plans can help you achieve the home of your dreams. You could have an architect create a one-of-a-kind home for you, but the design services alone could end up costing up to 15 percent of the cost of construction, a hefty premium for any building project. Ultimate Book of Home Plans allows you to select from 730 of the most popular designs from the country's top architects and designers for a fraction of the cost. More than 550 gorgeous full-color photographs and 1,600 illustrations allow you to experience homes actually built from the designs, plus some interiors. Virtually every home style is offered, including farmhouses, country cottages, contemporaries, luxury estates, vacation retreats, and regional specialties. Get practical tips and advice on everything from selecting a site and hiring a contractor to adding finishing touches like trimwork and landscaping. Once you've selected your dream home, you can obtain easily customizable construction blueprints, cost estimates, materials lists, and CAD files.

Ultimate Book of Home Plans, Completely Updated & Revised 4th Edition Editors of Creative Homeowner, 2022-01-10 A collection of 680 best-selling designs from today's leading architects and designers, Ultimate Book of Home Plans 4th Edition offers virtually every home style, including farmhouses, country cottages, contemporaries, luxury estates, vacation retreats, and regional specialties. In addition to these designs, this essential catalog features practical tips and advice on everything from selecting a site and hiring a contractor to adding such finishing touches as trimwork and landscaping. With over 550 gorgeous full-color photographs and 1,600 illustrations, experience real homes that were actually built from the designs, plus some interiors. This newly updated edition features more than 280 new house plans and nine new articles on an array of insightful subjects, from creating curb appeal and outdoor living must-haves to different architectural styles and smart home tech ideas. Also included is a new 3D Design America app plan section that will allow you to bring the home plan on the page to life on your phone in 3D.
