

Expressing Unconditional Love In – One-Liners –

My life actually began the day I met you.

Now that I have you, my soul feels complete.

My love for you is a voyage beginning forever and ending never.

Having you by my side feels like all things love.

I love you and am here, no matter what.

You taught me the actual meaning of unconditional love.

Unconditional One Mans Love:

One Man's Love Story - A Near-Death Experience Jason Hughes, 2005-08 This memoir is based on my experiences in this world Bob Marley Princess Diana His Holiness the Dalai Lama Mother Theresa Deepak Chopra Oprah Winfrey John F Kennedy Martin Luther King Jr have all talked about essentially the same thing that there is One Universal Love that flows inside us all And yet life is often about harmonizing with the co existence of opposite values We constantly strive for balance within ourselves between life and death being happy or sad up and down love and fear pain and growth and light and dark One cannot exist without the other Together and individually we all travel this vast spectrum at our own rate of speed and in our own unique ways Experiencing these opposites is what often makes this journey interesting Only by keeping our focus on the positive as much as possible can we achieve and enjoy a healthy balance But if life is an inevitable balance between up and down and good and bad are we all at the mercy of the changing tides How do we directly impact our experience Why do so many of us wait for something bad to happen in our lives before we actually wake up and begin to move through life seeing clearly as Nature intended All too often we must go through many forms of pain before we discover the true growth that was intended for us My own conscious contact came about as a result of a devastatingly painful experience after which I began to realize that nothing is impossible and that only together can we realize this truth I began to understand how much we all share in this life and I realized we are clearly meant to work through our pain collectively Together we will discover happier states of existence It is only with the true caring and sharing of so many that I was able to survive a potentially insurmountable ordeal and I am here today to share with you all I have learned And this is my story of how I came to experience embrace and be transformed by that Universal Love that great men and women before me have also discovered My goal is to connect and relate with you my reader on the most important and meaningful levels I have learned that love is the answer and when we open up to the many ways we can receive love every moment of our lives together then life takes on a whole new meaning one that will be better than anything we can imagine It is my sincere hope that this book helps to heal and promotes goodness in a world that can often be a tough playing field Unconditional Love Lela Haynes

Thoughts Chuck Johnson,2012 SING ONE SONG FOR ME Now it was just a simple casket made of pine and iron nails Without a trace of carving or any polished brass for rails It was assembled from a broken box splintered from abuse Yet it had a simple beauty despite the way it had been used It was placed before the altar on a stand of polished stone A simple casket made of pine for a loved ones final home Only present there was silence not a choir was there to sing Not one voice to sing his praises not a single human being I cannot forget my sadness when they took the casket down And placed it in a six foot hole beneath the cold cold ground Not one voice had sung his praises not a soul was there to see And I wondered at my passing who would sing a song for me Charles T Johnson 9 20 96 Sing One Song For Me is a poem based on a song done by the Stanley Brothers called Who Will Sing For Me It has been one of those songs that have always touched me deeply I have spent a great deal of time alone and I can relate to one asking if there will be anyone that will sing for me *One Man's Life*

The Triune Identity Robert W. Jenson, 2002-05-10 This book presents a bold venture in theology combining a presentation explanation analysis and reinterpretation of trinitarian language Rejecting the assumption that traditional trinitarian discourse is useless in an age of cults and sects Jenson points to a profound and provocative renewal of trinitarian piety and reflection understood as a remedy for spiritual desolation and powerlessness Proceeding on the premise that any radical analysis of the formula Father Son and Holy Spirit must work from biblical statements Jenson investigates the significance of two biblical identifications of God God is whoever freed us from Egypt and God is whoever raised Jesus from the dead In opposition to the notion that God is to be understood simply as timeless being Jenson shows how the memory of God s acts and the presence of God in Christ leads to a hope for the future based on the promise of the spirit

Fathers Matter Cathy Ashley, 2007-05 *Agape and Hesed-Ahava* David L. Goicoechea, 2015-02-19 Goicoechea presents his third volume in a series on agape In this book he shows in four ways how the agape of Jesus fulfills the ahava and hesed of the Hebrew Bible First he shows existentially how he learned and lived this for six years in a Benedictine Minor Seminary and then for three years in a Sulpician Major Seminary Second he demonstrates how ahava or our love for God and neighbor and hesed or God s love for us develop through the Hebrew Bible Goicoechea argues that St Matthew s Gospel explains the fulfilment of ahava and hesed with Jesus agape He concludes by drawing attention to how Levinas and Derrida two Jewish postmodern philosophers treat Jewish and Christian love

One God One Man Martin J. Loeblein, 2022-10-25 Have you ever wondered if God hears you when you ask him something Or thought that when you ask Him He will not answer Believing that although getting answers is crucial to you God probably does not care Whether we genuinely think that there is or is not a God or believe in the existence of a Creator we still may have questions about God s existence and our relationship with him I had two questions the first was regarding the Trinity of God When I posed the question to others I was never satisfied with the answer And the second was regarding the scripture God made man in his image I did not quite understand what scripture was describing because I saw men and women who looked entirely different One God One Man illuminates the Scriptures and shows the reader that the Bible clearly teaches how the

Father the Son and the Holy Spirit are one God and how the Trinity is necessary to express God's love and desire for fellowship with us fully And that God only created one man who would reflect the life of the Father the Son and the Holy Spirit to all creation As you read the pages of One God One Man you will follow the journey of a person who expressed his questions to God and how God answered and revealed even more than he had asked **I Could Use a Miracle Right Now** John Webb Kline, 2004 The movie The Passion of The Christ dramatically conveyed the price that Jesus paid on the cross to redeem the sins of the world John Webb Kline's new book I Could Use a Miracle Right Now profoundly brings the message of the cross and what it means to us in the 21st century into perspective in a way that few books can It is a story about one man's life long encounter with the Living Christ a story that one might call The Passion of the Christian It is a must read for any true seeker of truth or follower of Christ Author John Webb Kline describes his inspiring new book as a Workingman's Theology a theology that helps us to find God in the midst of our everyday struggles and which helps us to make sense out of the seemingly senseless trials and tribulations we all face Based on stories from his own often tumultuous yet miracle filled life Webb brings us to the amazing discovery that not only is God's intervention for our lives real but it is also there for each and everyone of us hidden only by our rational worldviews and unbelief This is a book about hanging on to faith when it would seem perfectly reasonable not to a book for the faithless and faithful alike it is a book for those who are feeling so hurt so angry or so left out of God's will that they have nothing left but the desire to curse God and die In today's world it very well could be your own handbook for survival Heart to Hand Ministries director Woody Wolfe has this to say about I Could Use a Miracle Right Now Webb is able to take us on that journey to see the true miracles that are the reality of our everyday lives even when the world had blurred our vision Webb's uncanny ability to put into words that which is at the heart of the true Gospel message has been such a blessing to me I wish this book would have been around during those first days of my full time ministry when I was still looking to the world for affirmation To truly understand that God is already knocked out about us gives us the freedom to be just who we are and Webb has brought that vision of the uncompromising love of God to these pages Please visit the [Miraclenews website](http://Miraclenews.com)
