Under Polaris An Arctic Quest:

Under Polaris-cl Tahoe Talbot Washburn,1999 *Under Polaris* Tahoe Talbot Washburn,1999 Washburn made a concerted effort to learn the survival skills of the Inuit women and to understand their lives The process of making caribou skin clothing for herself and her husband is described with great clarity and humour Though not sharing their language she sat with the women while they worked quietly imitating their actions as they scraped and softened the skins and sewed the pieces with skilled hands She tells of their patience and gentle amusement as they helped her their curiosity about her way of life and their generosity in sharing meager resources **The Polar Adventures of a Rich American Dame** Joanna Kafarowski,2017-11-04 Louise Arner Boyd inherited the family millions in her thirties Expected to lead a respectable life she instead fell under the captivating spell of the north Over the next thirty years she organized and led seven hazardous expeditions around Greenland and was showered with international awards *A Cold Colonialism* Tina Adcock,2025-06-01 Exploration has long been pivotal to southern engagements with northern Canada but it is most often associated with the nineteenth century or earlier A Cold Colonialism offers the first extended examination of twentieth century exploration in the Canadian North Modern exploration helped southerners establish and maintain distinctive kinds of colonial and settler colonial power over northern Indigenous homelands Who explored the North between 1918 and 1965 What forms did exploration take What did it mean to explorers and others affected by it Tina Adcock focuses on four representative explorers with richly documented careers mining engineer George Douglas surveyor Guy Blanchet ethnologist Vilhjalmur Stefansson and filmmaker Richard Finnie Despite limited experience in and knowledge of the Canadian North these explorers helped southern militaries industries and governments exert control over northern peoples and their lands Each also claimed belonging in and authority over the North in ways that still resonate among southern settlers in Canada today Inuit Women Janet Mancini Billson,Kyra Mancini,2007 Inuit Women is the definitive study of the Inuit during a time of rapid change Based on fourteen years of research and fieldwork this analysis focuses on the challenges facing Inuit women as they enter the twenty first century Written shortly after the creation of Nunavut a new province carved out of traditional Inuit homelands in the Canadian North this compelling book combines conclusions drawn from the authors ethnographic research with the stories of Inuit women and men told in their own words In addition to their presentation of the personal portraits and voices of many Inuit respondents Janet Mancini Billson and Kyra Mancini explore global issues the impact of rapid social change and Canadian resettlement policy on Inuit culture women s roles in society and gender relations in Baffin Island in the Eastern Arctic They also include an extensive section on how the newly created territory of Nunavut is impacting the lives of Inuit women and their families Working from a research approach grounded in feminist theory the authors involve their Inuit interviewees as full participants in the process This book stands alone in its attention to Inuit women s issues and lives and should be read by everyone interested in gender relations development modernization globalization and Inuit
