Understand Eastern Philosophy A Teach Yourself Guide:

Understand Eastern Philosophy Mel Thompson, 2012 Teach Yourself Eastern Philosophy examines key ideas that developed within the ancient civilisations of India and China. It presents a range of philosophies that both inform discussion of personal moral and social issues and address the fundamental questions about the nature of reality and the place and purpose of human life within it.

Eastern Philosophy Mel Thompson, 2003 Examining key ideas that developed within the ancient civilizations of India and China, this guide presents a range of philosophies that both inform discussion of personal moral and social issues and address the fundamental questions about the nature of reality and the place and purpose of human life within it. It covers social order in traditional Confucian teaching to the rich variety of Hindu ideas and lifestyles. This book provides a feast of ideas of universal relevance. It looks at the ethical and social implications of Eastern philosophy with key terms given in their original languages and full explanations. It also provides essential background information for appreciating the religions of India and the Far East while pointing to parallels with Western thought where appropriate.

Business for Bohemians Tom Hodgkinson, 2018-01-23 Extremely funny, part practical business handbook, part entrepreneur's memoirs aimed at freelancers or small business owners in the creative fields. Financial Times: If you want to run your own business but cash flow forecasts, tax returns and P&Ls sound horrifying, fear not. Help is at hand. Journalist and co-founder of the Idler, Tom Hodgkinson has spent his career advocating for laid-back living, and in *Business for Bohemians* he combines practical advice with hilarious anecdotes to create a refreshingly candid guidebook for all of us who aspire to a greater degree of freedom in our working lives. Whether you dream of launching your own graphic design startup or growing your Etsy store into a full-scale operation in your spare time, *Business for Bohemians* will equip you with the tools to turn your talents into a profitable and enjoyable business. Accounting need no longer be a dark art. You will become a social media maven and a friend of the spreadsheet. You will learn the art of negotiation, how to get paid and how to decide which clients to take. You will discover that laziness can be a virtue. Above all, you will realize that freedom from the nine-to-five life is achievable, and with Hodgkinson's comforting, pragmatic and funny advice, you might even enjoy yourself along the way. Ways to tackle topics ranging from finance to social media, solid examples and a helpful glossary of business terms. Readers familiar with his lighthearted, humorous approach to life will find much to enjoy. Booklist: Plenty of good practical advice. The Wall Street Journal
