Melescue,2013-06-13 The Interpretation of REVELATION by the Sanhedrin Romans and Disciples of Jesus Christ Inspired by the Devil the Sanhedrin and Romans had slain the Lord Jesus and now they were brutally murdering His disciples to rid the earth of His kingdom Jesus had instructed His saints Dearly beloved avenge not yourselves but rather give place unto wrath for it is written Vengeance is mine I will repay saith the Lord Rom 12 19 Finally the time for His vengeance had come the avenging of the blood of His saints was at hand He sent His hidden message in Revelation to His disciples to get out of His way Then Almighty God filled the vials of wrath until they overflowed with His fury The angels in heaven gave a harkening blast on the trumpets of war shaking the very foundations of heaven and earth And the armies of the Lord prepared for battle for the great day of Gods wrath had come and no one would be able to stand against it This book will teach you the interpretation of Revelation for the three target audiences along with all the metaphors Jesus strategically selected for His greatest parable of all The Four Horsemen of the Apocalypse The Beast of the Land The Beast of the Sea with Seven Heads and Ten Horns The Land Sea and Trees The Mark of the Beast and the Number of His Name 666 The Two Super Witnesses The Plague of Locusts The Seven Seals Seven Trumpets and Seven Vials of Wrath The Three Heavens The New Heaven and New Earth and New Jerusalem And much more Systematic Theology, Second Edition Wayne A. Eschatology Michael Scantlebury, 2020-10-15 This book you are holding was being prepped for release at the end of 2019 but the Spirit of the Lord interrupted my plans and asked me to hold off for the time being After discussing this leading with other men of God whose opinions I value I decided to postpone its publication Fast forward with me five months to one morning when the Holy Spirit woke me in the early hours Do you remember the day I asked you to pause your work on the book He continued What is happening now the Coronavirus pandemic this is why I had you delay it At the time when I was first writing the chaos of COVID 19 did not exist or at least it was not yet made public But the resulting global lockdown has had many Believers and even the unsaved asking if this is the end of the world The spirit of fear and dread has gripped the hearts of so many the Lord said to me NOW is the time to release this book Imagine you are a time traveler who has traveled back to the 1800s You meet Abraham Lincoln and reveal to him that you have arrived from the 21st century He might ask you how people send messages in the 21st century you could try to explain how the email system works How would you describe it You re trying to communicate how fast an email really is delivered but you re trying to do it in a way that wouldn t totally blow his mind Would you use imagery with which he s familiar Perhaps you would tell him it s like a postman riding his horse at 500 miles per hour Or you might liken it to delivering a message by train from New York to LA in less than one day That s the conundrum we face when trying to understand difficult verses in the Bible especially on themes like eschatology The prophetic writers of Scripture were limited to conveying God s mysteries in language their readers would understand Two to three thousand years later as we read these prophetic Scriptures through a 21st century lens it is possible to come up with strange speculative interpretations This especially happens when we don t understand what those Scriptures would have meant to a first century Believer or to a Jew living in the time of the Old Testament Prophets The book before you delves deeper into this topic and much more as it presents you with a biblical view of eschatology

The Time Is Near Ian Foley, PhD, 2014-10-02 Evidence is accumulating that the current global civilization we enjoy is rapidly moving toward a crisis of expensive resources water security global warming and potential military conflict centred in the Middle East The Bible suggests that God anticipated the situation we see today as an inevitable outcome of our selfishness and greed In this first of two volumes author Ian Foley proposes the idea that the decline and collapse of this civilisation is part of the end time picture that the Bible gives The Old Testament book of Daniel lays out the first half of this picture starting from the Jewish

exile to Babylon at the beginning of the sixth century BC and tracing the rise and fall of ancient empires It then introduces the founder of the final empire which will be completed when Jesus returns Through all this history Daniel depicts the tiny nation of Israel surviving exactly as the prophet Jeremiah predicted Like an unfolding detective story God's drama is revealed piece by piece so that we gradually come to understand up until the fall of the Roman Empire with the final exciting revelation in Daniel 11-12 completing the picture This study begins to reveal why there is so much confusion with our end time theologies and suggests a new revelation that is clearer and less ambiguous integrating the books of Daniel and Revelation into a single unambiguous message

The Time Is Near Ian Foley, 2016-05-31 *The Time Is Near* the second and final volume of a paired set builds upon the foundations laid in the first volume to offer a comprehensive and systematic interpretation and explanation of the final book of the Bible Revelation The author Ian Foley summarizes the findings of the first volume before turning to an exploration of this often misunderstood biblical book This volume explains how two books of apocalyptic literature Daniel and Revelation have similar structures display similar styles of writing and offer seamlessly connecting content The benefit of this comparison comes in recognizing that the ambiguities and confusions of meaning that typically accompany readings of Revelation fade away The reader then receives a clear view of a complete prophetic picture of God's plan for his world stretching from 605 BC to the end of this age and beyond In its thirty two parts *The Time Is Near* presents concise statements of position that begin with Daniel dwell on Jesus and Paul and then focus primarily on Revelation By offering this overall summary of a clear word of prophecy and by supporting it with immersion in the Bible and reflection on historical events *The Time Is Near* invites readers reflection and testing In a time in which the worldwide church faces great challenges *The Time Is Near* speaks clearly of refreshingly new insights that will help Christians to face those challenges and to resolve their uncertainties about the meaning of Revelation for this world and the next

Religious Dynamics under the Impact of Imperialism and Colonialism Björn Bentlage, Marion Eggert, Hans Martin Krämer, Stefan Reichmuth, 2016-10-11 This sourcebook offers rare insights into a formative period in the modern history of religions Throughout the late 19th and the early 20th centuries when commercial political and cultural contacts intensified worldwide politics and religions became ever more entangled This volume offers a wide range of translated source texts from all over Asia the Middle East and Europe thereby diminishing the difficulty of having to handle the plurality of involved languages and backgrounds The ways in which the original authors some prominent and others little known thought about their own religion its place in the world and its relation to other religions allows for much needed insight into the shared and analogous challenges of an age dominated by imperialism and colonialism

Recovering Paul's Mother Tongue, Second Edition Susan Grove Eastman, 2022-07-29 Paul's letter to the Galatians begins with the proclamation of liberation from destructive powers and ends with the confident cry new creation Throughout the letter Paul encourages his listeners to stand fast in the confidence that God in Christ will bring them from their beginning in the faith to their completion His language is emotional

relational and powerful as he uses the intimate imagery of family life to draw his converts back into the thread of conversation that mediates their life together This study investigates the powerful effects of Paul s maternal imagery his embodied vulnerable and authoritative mother tongue in catalyzing and sustaining the communal life of faith
