Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1965. Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July-December. **Mean Old Liberal** Marc Munroe Dion, 2023-06-10. Who says liberals are snowflakes? In this collection of columns, Marc Munroe Dion earns his Mean Old Liberal nickname by savaging bigotry disguised as color blindness, gun worship disguised as freedom, worker slavery disguised as economic freedom, and a host of other viewpoints around which terrified elements of the white middle and working class have rallied even as the future bears down on them and their bosses lay them off in favor of robots. These aren't press conference columns and they're not congressional hearing columns. They're political columns from the street informed by Dion's 40 years covering housefires, shootings, and the workings of small town government. The language sometimes soars, but the ideas are tough, and this mean old liberal is spoiling for a fight. **American Racing Manual**, 1954.
