

Les Écritures Intimes

FICHE DE RÉVISION

L'autobiographie

Définition

Le nom autobiographique est formé de 3 mots grecs (autos = soi-même + bio = la vie = graphein "écrire")
L'autobiographie signifie récit de sa propre vie.

P'tit plus

L'autobiographie est un genre littéraire où l'écrivain est le narrateur, l'auteur et le personnage principal.

Les enjeux de l'autobiographie

1. Faire revivre ses souvenirs personnelles.
2. Mieux se connaître et se comprendre (pour trouver un sens à sa vie)
3. Se justifier
4. Apporter un témoignage sur des événements historiques précis.
5. Construire son image pour la postérité

Que raconter ?

Les récits autobiographiques abordent souvent les mêmes motifs :

- la naissance
 - la famille et les proches
 - les lieux déterminants
 - la formation scolaire
 - la vie sentimentale : l'amour
 - la vocation ; le rapport à l'écriture, à la lecture
- On appelle c'est différents motifs des topoi (lieux communs), c'est à dire des passages obligés de l'écriture autobiographique.

Comment raconter sa vie ?

Le pacte autobiographique : pour raconter sa propre existence il faut établir un pacte qui signifie que l'auteur s'engage à dire la vérité sur sa propre vie et le lecteur se doit dans cette situation de le croire.

Pour juger qu'un texte est autobiographique il faut que ces trois critères soit présent :

1. Les événements et les personnages renvoient à la réalité.
2. L'auteur = narrateur = personnage principal = JE.
3. Les événements évoqués appartiennent à la vie de l'auteur de l'auteur passée ou présente.

Même si l'auteur veut être le plus honnête possible, il est impossible d'être entièrement objectif. Dans la reconstruction de son passé l'auteur interprète, recrée, transforme, même involontairement inconsciemment. Le temps, comme les souvenirs subjectifs chacun d'entre nous vivra un même événement de la même manière. Certain événement seront jugés anodin mais pour tant seront décrit sur plusieurs pages.

L'ordre de narration : il faut repérer si la chronologie est respectée (ce qui est la règle générale) ou alors expliquer les difficultés que représentent la narration des souvenirs (effet de style)
