MAKING YOUR OWN TRAIL Daniel Martin Molliver, 2014-02-04. Hi, I'm Daniel Molliver. I'm the author of the book *Making Your Own Trail*. It is both spiritual and inspirational for anybody and everybody who has gone through a difficult period in their life. But before I get to that, I like to give a little bit of history of why I wrote this book. Years ago, I was involved in a tragic accident where I slipped and hit my head on concrete, no fault of my own, and sustained a life-threatening injury. Even the doctors and family thought and feared I may have been brain dead, but that was not the case. Through faith, inspiration, and determination, I fought for my LIFE because I have faith NOW. I like to share a little bit about this book today from one passage in the book: There is life in life, your trail so important, your knowledge so important for the destruction of evil with your breath and grace, bringing unknown life back to patient ways and inner truth for goals of American victory abroad.
