Vodka On My Wheaties:

Vodka on My Wheaties Ann Lloyd, 2011-03-17 *Vodka On My Wheaties* is like no other book you have ever read. The events that have happened to Ann Lloyd are only seen on the silver screen but all of her stories are non-fiction. Her book reads like a novel even though it is an autobiography. *Vodka On My Wheaties* is filled with a humorous potpourri of real-life happenings for a wide range of people to enjoy. The beginning chapters reveal that Ann was programmed from birth to march to the beat of a different drum. She was the only child of neurotic parents and it was not in her nature to follow the herd. Married at eighteen to a prominent drug store magnate twice her age, she finds herself at the age of twenty-two a widow. From her sudden dramatic exposure to a life of opulent wealth and world travels, Ann and her second husband settled down to build an exclusive out-island scuba diving resort in the Bahamas which attracted the rich and famous. As a self-appointed liberated female, the adventures do not stop there. Join in Ann's kaleidoscopic journey down one of life's most unusual paths and her ability to make things happen. Ann's story is bursting with romance, adventure, mystery, celebrities, substance abuse, and much more. Publishers Weekly Review: Lloyd's unconventional memoir is told with gusto and packed with honest, entertaining episodes. Raised by intense and neurotic parents, the quirky narrator with a mind and a will of her own endures a lonely childhood and tumbles through her colorful life. Tying the knot with her handsome boyfriend results in a dangerous marriage that threatens her life. Her second marriage leads the author to support her new husband's many failed business enterprises and then maintain a resort in the Bahamas. Her brief third marriage leads to substance abuse as she starts drowning her depression in vodka. Eventually, Lloyd discovers a 12-step program to maintain sobriety, filling the empty void left by the removal of alcohol with the fruits of spirituality. But the onset of an autoimmune disease changes everything and forces Lloyd to remake her life yet again.

Vodka On My Wheaties Ann Lloyd, 2010-11 One might wonder why the life of a free-spirited woman might be such an interesting read. Widowed at the age of twenty-two after a fairytale marriage, Ann Lloyd inherited one million dollars, not considered much now, a day, but then sixty years ago had the buying power of more than eight million. The beginning chapters reveal that Ann was programmed from birth to march to the beat of a different drum. From her sudden dramatic exposure to a life of opulent wealth, world travels, she and her second husband settled down to build an exclusive out-island scuba diving resort in the Bahamas. As a self-appointed liberated female, the adventures do not stop there. Join in Ann's kaleidoscopic journey down one of life's most unusual paths and her ability to make things happen.

[Ebony](#), 1948 *Rory's Adventure* Patrick Robertson, 2018-11-16 This picaresque novel owes much to Cervantes Fielding and Bellow with a certain nod to Dostoevsky and Franzen We meet the main character as a young successful adult and follow him into friendships and situations that are amusing crushing and even criminal We follow his hilarious and fateful paths through multiple French trips including a pig hunt in Perigord Paris Nice Monaco and Val d'Isère are richly explored In Mexican trips he is trapped in Mayan sexual rites climbs Orizaba and almost dies at sea in a Pacific storm His formative life is recounted including events which warp forever his relationship with women His psychic state permits sex with Greek goddesses and to receive stunning predictions from Apollo Finally he is led to Hades by the goddess Juno a lover and tried by King Minos for the crimes of rape and murder Persephone prosecutes and Pluto defends A jury of prominent dead is selected One witness Hitler's ghost

describes the event that triggered his order to exterminate the Jews offered in evidence by Pluto as a counterpoint in magnitude to Rory's crimes. Rory denies guilt as the trial ends. Memory and imagination grow from the soil of the author's brain and by definition are autochthonic. Could you say that the fiction that fiction is fiction is not fiction? Redemption Alley Bob Perry, Stefan Bechtel, 2015-09-08 After hitting rock bottom through addiction, bowling legend Bob Perry learned that religion is for people who don't want to go to hell. Spirituality is for people who have already been there. Perry tells his heart-wrenching, inspiring story of bowling for the mob and drug and alcohol addiction in his new book Redemption Alley. Perry, considered by many to be one of the most naturally talented bowlers in the history of the sport, had potential to become one of the best even at the young age of 12. Unfortunately, he grew up in 1970s Paterson, New Jersey, where everyone knew someone who was connected with the mob. Instead of training for championships, Perry began doing odd jobs for wiseguys and hustling hundreds of thousands of dollars in after-house action bowling for John Gotti, who later became the boss of the Gambino crime family. Perry's connections with organized crime eventually landed him in federal prison, but not before he became addicted to crack cocaine, alcohol, and painkillers and was homeless on the streets of New York. Ultimately, Perry washed up on the shores of St. Christopher's Inn, a shelter run by Franciscan monks. It was there that he had six fateful encounters with an angelic messenger whom no one else could see, a monk whose message was so powerful that Bob Perry has now been sober for 22 years. In Redemption Alley, Perry not only shares his remarkable story of bowling success, his dangerous association with hoodlums and gangsters, and his recovery from addiction, but also his inspiring, decades-long spiritual quest and his sober journey back into the bowling world. Out of Beat Cassandra Giovanni, 2016-12-06 Danny Madman Maddox isn't supposed to make Skylar Haze's heart beat out of rhythm. At least not anymore. She hasn't seen that boyish face always covered in a five o'clock shadow, dimpled smile, and teasing hazel eyes since the day he left to go on tour with her brother Joey's band. Now, with a major record label backing them, the band is in need of a bit of help, and when Joey asks Skylar to be the band's photographer, she can't help but say yes. Of course, Joey doesn't know about that forbidden kiss. The one Skylar hopes Danny's forgotten. But can she? One smile, and she finds herself slipping again. But he's the drummer, and he's beaten her heart before. And she won't let it happen again. The Kings of Dance Luis De Jesus, 2013-06-05 The Kings of Dance novel is an education of dance and how music evolved along with it. As far back as I can remember, which would be 1972, Rock the Dance was born right before my eyes. The first time author Luis De Jesus exclaims an education on how Rock was born and how from the Bronx dance roots, the next level of dancing evolved. The purest form of dance, Rock. THE BASICS, THE FUNDAMENTALS. A lot of people do not have knowledge and are blind to the real facts; let this be your schooling. This story is a time portal that takes you back to the different glamorous Disco's music and styles of clothes. This book is so that the truth can be exposed. Luis was there; he is the proof in the pudding. All of the people mentioned in this book deserve their title. This is based on a true story. It took place in the Bronx. **Dig Two Graves** Kim Powers, 2015-11-06 a unique hybrid of
