In Crime's Archive Katherine Biber, 2018-07-04 This book investigates what happens to criminal evidence after the conclusion of legal proceedings During the criminal trial evidentiary material is tightly regulated it is formally regarded as part of the court record and subject to the rules of evidence and criminal procedure However these rules and procedures cannot govern or control this material after proceedings have ended In its afterlife criminal evidence continues to proliferate in cultural contexts It might be photographic or video

evidence private diaries and correspondence weapons physical objects or forensic data and it arouses the interest of journalists scholars curators writers or artists Building on a growing cultural interest in criminal archival materials this book shows how in its afterlife criminal evidence gives rise to new uses and interpretations new concepts and questions many of which are creative and transformative of crime and evidence and some of which are transgressive dangerous or insensitive It takes the judicial principle of open justice the assumption that justice must be seen to be done and investigates instances in which we might see too much too little or from a distorted angle It centres upon a series of case studies including those of Lindy Chamberlain and more recently Oscar Pistorius in which criminal evidence has re appeared outside of the criminal process Traversing museums libraries galleries and other repositories and drawing on extensive interviews with cultural practitioners and legal professionals this book probes the legal ethical affective and aesthetic implications of the cultural afterlife of evidence

The XYZ of Discipleship Nick Allan, Marjorie Allan, 2020-05-08 Today's key challenge for the church in the West is to reach and raise the next generations often missing or misunderstood yet vital to the future of contemporary society and to Christianity Drawing on 20 years of fruitful experience and carefully analysing Britain's present cultural context this book explores how to disciple today's Millennial Gen Y generation and their teenage early adult successors Gen Z With plenty of positive insights into the opportunities these generations possess it speaks into how to help build solid foundations of identity and purpose for young adults and assesses some of the biggest challenges to Christian discipleship in today's culture It will

equip individuals who seek to mentor parent or lead young adults into discipleship in the everyday and within church as well as those of Y Z age who are passionate to understand and disciple your own generation It concludes with practical guidance and a passionate challenge to established churches who wish to reach these generations **Practising Virtue** David D. Caron, Stephan W. Schill, Abby Cohen Smutny, Epaminontas E. Triantafilou, 2015-11-12 International arbitration has developed into a global system of adjudication dealing with disputes arising from a variety of legal relationships between states between private commercial actors and between private and public entities It operates to a large extent according to its own rules and dynamics a transnational justice system rather independent of domestic and international law In response to its growing importance and use by disputing parties international arbitration has become increasingly institutionalized professionalized and judicialized At the same time it has gained significance beyond specific disputes and indeed contributes to the shaping of law Arbitrators have therefore become not only adjudicators but transnational lawmakers This has raised concerns over the legitimacy of international arbitration Practising Virtue looks at international arbitration from the inside with an emphasis on its transnational character Instead of concentrating on the national and international law governing international arbitration it focuses on those who practise international arbitration in order to understand how it actually works what its sources of authority are and what demands of legitimacy it must meet Putting those who practise arbitration into the centre of the system of international arbitration allows us to appreciate the way in which they contribute to the development of the law they apply This book invites eminent arbitrators to reflect on the actual practice of international arbitration and its contribution to the transnational justice system **Peter Carey** Bruce Woodcock, 2013-07-19 This is a revised and expanded edition of Woodcock s accessible study now including detailed readings of Carey s latest novels Jack Maggs and True History of the Kelly Gang **The Routledge Companion to Adaptation** Dennis Cutchins, Katja Krebs, Eckart Voigts, 2018-04-17 The Routledge Companion to Adaptation offers a broad range of scholarship from this growing interdisciplinary field With a basis in source oriented studies such as novel to stage and stage to film adaptations this volume also seeks to highlight the new and innovative aspects of adaptation studies ranging from theatre and dance to radio television and new media It is divided into five sections Mapping which presents a variety of perspectives on the scope and development of adaptation studies Historiography which investigates the ways in which adaptation engages with and disrupts history Identity which considers texts and practices in adaptation as sites of multiple and fluid identity formations Reception which examines the role played by an audience considering the unpredictable relationships between adaptations and those who experience them Technology which focuses on the effects of ongoing technological advances and shifts on specific adaptations and on the wider field of adaptation An emphasis on adaptation as practice establishes methods of investigation that move beyond a purely comparative case study model The Routledge Companion to Adaptation celebrates the complexity and diversity of adaptation studies mapping the field across genres and disciplines **Twenty-Five** Editors of Bake Magazine, 2016-10-11
