Munayer, Lisa Loden, 2011-10-21 Our theology does not exist in a vacuum but must relate to the world we inhabit and must influence our moral and ethical actions This is especially true when discussing theology of the land in the context of a violent territorial conflict The Holy Land has seen so much bloodshed that the earth itself is crying out to God The chapters presented in this book form a unique collection of voices speaking from different perspectives on the issue of the theology of the land These voices include Messianic Jewish and Palestinian Christian theologians and scholars who live in the Holy Land as well as others from around the world The various chapters reflect a wide spectrum of opinion and reveal how much disagreement still exists among followers of Christ However the dialogue generated by having these opposing voices side by side speaking to each other rather than past each other is encouraging This book is both challenging and inspirational and contributes in an

innovative way to this important discussion Messianic Jewish Aliyah Jennifer Marik Betham-Lang,2010-02-18 In these well thought out pages the reader will find a candid review of the history and current status of the Messianic movement The issues the dreams and the devotion of the Messianic followers are portrayed and reported with passion clarity and raw honesty As a professor of World Religions and History of Judaism this work provides any student the insight needed to understand the precarious nature of this and perhaps other marginal religions in the world and what they go through in order to be able to express their convictions and practice their faith Arlette Poland J D Ph D Misunderstanding Galatians M. I. Cha,2021-09-16 This commentary on Galatians seeks to provide an originalist understanding of the epistle by viewing Paul as a Torah observant apostle of the Messiah who was arguing against compulsory proselyte conversion into Pharisaic Judaism and not the Old Testament law of God in general As such this commentary pays closer attention to the perpetuity of the Old Testament law of God Paul s nuanced use of law nomos Jewish oral tradition and the historical context of gentile proselyte conversion in Paul s time The goal of this commentary is to combine the strengths of evangelical hermeneutics and recent advances in Pauline studies to arrive at a more accurate understanding of the original author s intended meaning within his own historical context **Acts: An Exegetical Commentary : Volume 4** Craig S. Lessard,Jennifer M. Rosner,2021-06-09 Where does a relatively young movement turn for identity and direction when it straddles the fence between two competing major religions Messianic Jews have done something that for centuries was considered untenable Like Christians they have embraced Jesus as the divine Messiah but they have refused to surrender their place within the Jewish people How compatible are these two sides of Messianic Jewish faith Can Messianic Jews participate as full members in both the body of Messiah and the people of Israel Can they be led by the Holy Spirit that Jesus promised while also following the rulings of the Jewish sages Did Jesus affirm rabbinic authority or does that authority now lie elsewhere within the new covenant In this volume Messianic Jewish rabbi Joshua Lessard and Messianic Jewish scholar Jennifer Rosner debate the path forward for Messianic Judaism as it grapples with being the child of divorced parents the church and Israel Both Lessard and Rosner are committed to the success of Messianic Judaism though they put forth contrasting visions of what that means The discussion herein is unique and provocative not only for Messianic Jews but for all who have wrestled at the crossroads of Torah tradition and Spirit **Acts: An Exegetical Commentary : Volume 3** Craig

Edersheim 1825 1889 was born and reared in a Jewish home in Vienna He was given a New Testament while studying medicine at the University of Pest Budapest and soon afterwards came to believe in Jesus as his Messiah He held several teaching positions in the United Kingdom before settling at the University of Oxford From 1882 until his death he was Grinfeld Lecturer on the Septuagint He is still considered a leading authority on Jewish life and customs in the time of Jesus He wrote many books on a variety of topics most famously The Life and Times of Jesus the Messiah The Wisdom of Alfred Edersheim includes hundreds of quotations from his various works many of which are rare and out of print Edersheim is remembered and loved for his devotional commentary as much as for his scholarship The Fundamentals of a Recovering

Fundamentalist Gabriel Gordon,2024-06-27 As recovering Fundamentalists we often find ourselves unknowingly remaining within the Fundamentalist worldview We think that if we enter into Progressive Christianity we re leaving behind the irrational hurtful racist and untrue theological worldview we were brought up in But what if Fundamentalism is really a kind of Progressive Christianity And both of these twin children of modernity are inherently racist anti Jewish and colonial and therefore antithetical to the brown Jewish Incarnation of the God of Israel What if instead of leaving Fundamentalism we ve really just changed the garbs of the Northern European Enlightenment rather than truly reorientating our whole lives towards the True Good and Beautiful In this book we will examine a need for former Fundamentalists to be reintroduced to the Christian faith One that looks backwards towards Christianity as it existed before the Enlightenment and even the Reformation One that de centers Christian traditions which originated out of Northern Europe by centering Christian traditions rooted in such places as Southwest Asia and North and East Africa By criticizing modernist white Christianity the reader is guided into a Christianity that isn t merely the other side of the same coin but looks radically different **Master**

Plan for the Redemption of Israel Yehudah Rapuano, 2021-11-04 This book introduces a new approach that radically redefines Messianic Judaism. It takes the reader beyond the superficial practices of Shabbat candles, tallit, and wearing Stars of David to comprehend the true purpose of a Jewish way of life that embraces Yeshua the Messiah. It investigates the meaning of Israel as a nation from its inception in ancient times and how its national turning to its Messiah will dramatically transform not only Israel itself but our entire world. It delves into the history of Messianic Judaism, ancient and modern, and examines the current streams of Messianic Jewish thought. This book proposes a new paradigm that holds the key to reaching the entire Jewish people with the message of Yeshua. Unlocking scriptural passages that have been lost and misunderstood for nearly two thousand years, it reveals the exciting role that non-Jewish believers in Jesus will play in Israel's redemption. Here is an invitation to come along on an incredible journey of discovery. Readers will gain a new perspective of God's end-time plan for Israel and the Jewish people. Some will awaken to an inner call to join the quest, a challenge that if answered will certainly change the direction of their lives.

Becoming Jewish, Believing in Jesus Manoela Carpenedo, 2021-04-16 An unexpected fusion of two major Western religious traditions, Judaism and Christianity, has been developing in many parts of the world. Contemporary Christian movements are not only adopting Jewish symbols and aesthetics but also promoting Jewish practices, rituals, and lifestyles. *Becoming Jewish, Believing in Jesus* is the first in-depth ethnography to investigate this growing worldwide religious tendency in the global South. Focusing on an austere Judaizing Evangelical variant in Brazil, Carpenedo explores the surprising identification with Jews and Judaism by people with exclusively Charismatic Evangelical backgrounds. Drawing upon extensive fieldwork and socio-cultural analysis, the book analyses the historical, religious, and subjective reasons behind this growing trend in Charismatic Evangelicalism. The emergence of groups that simultaneously embrace Orthodox Jewish rituals and lifestyles and preserve Charismatic Evangelical religious symbols and practices raises serious questions about what it means to be Jewish or Christian in today's religious landscape. This case study reveals how religious, ethnic, and cultural markers are being mobilized in unpredictable ways within the Charismatic Evangelical movement in much of the global South. The book also considers broader questions regarding contemporary women's attraction to gender-traditional religions. This comprehensive account of how former Charismatic Evangelicals in Brazil are gradually becoming austere observant Jews while continuing to believe in the divinity of Jesus represents a significant contribution to the study of religious conversion, cultural change, and debates about religious hybridization processes.

Awakening the One New Man Robert F. Wolff, 2011-06-21 Normally, discussions about One New Man focus on Jew and Gentile needing to reconcile. Usually, this conversation breaks down over the place of Israel in the Kingdom and end times. People rarely think much less act on the purpose behind the Lord calling us to be the One New Man. The fundamental issue of identity has been overlooked. When people recognize that their true identity is their Messiah, they will be drawn into a closer relationship with God. They have been born into a time where biblical prophecy is confirming that the unity between Jew and

Gentile is ushering in a new season of outpouring of the Holy Spirit and the Lord is calling them to join in There is a call in this season as confirmed in Ephesians 2 and 3 for Jew and Gentile to come together as One New Man and to walk as joint heirs in the commonwealth of Israel When Jew and Gentile come together as One the Lord has stored up a release of blessing and power that will forever change humanity's destiny *Mapping Messianic Jewish Theology* Richard Harvey, 2009 Richard Harvey himself a Messianic Jew maps the diverse theological terrain of this young movement He makes an original and innovative contribution by clarifying affirming and constructively critiquing the present state of its theology The book examines five topics of theological concern God's nature activity and attributes can the one God of Israel and the Christian Trinity be the same The Messiah Messianic Jewish Christologies Torah in theory the meaning and interpretation of the Torah in the light of Jesus Torah in practice Messianic practice of Sabbath food laws and Passover Eschatology the diverse models employed within the movement to describe the future of Israel Within each topic Harvey explores the range of Messianic Jewish views and their roots in both Jewish and Christian theological traditions The author proposes a typology of eight theological tendencies within Messianic Judaism and identifies issues where further theological development is required

Jews and the Gospel at the End of History Jim Congdon, 2009-11-01 Enlightened essays fill the pages of this tribute to Moishe Rosen Using evangelism ethics and eschatology as dividing sections *Jews and the Gospel at the End of History* produces profound insights of the best theologians exegetes and historians who especially understand the Jewish Christian tensions Many Jewish Messianic Jew and Christian issues are seamlessly broached in this volume and are woven together expertly and beautifully There are no easy solutions and this book can attest to the sensitivities of Jewish Christian dialogue but this book does a great service to the reader to bring them to a greater understanding of how what and why of evangelism ethics and eschatology

Walking on the Pages of the Word of God Aron Engberg, 2019-10-07 In *Walking on the Pages of the Word of God* Aron Engberg explores the religious language and identities of evangelical volunteer workers in contemporary Jerusalem The volunteers are connected to Christian organizations which consider their work a natural consequence of the biblical promises to Israel and their responsibility to bless the Jewish people Relying on ethnographic data of the discursive practices of the volunteers the book explores a central puzzle of Zionist Christianity the narrative production of Israel's religious significance and its relationship to broader Christian language traditions By focusing on the volunteers' stories about themselves the land and the Bible Aron Engberg offers a convincing account about how the State of Israel is finding its way into evangelical identities

The Evangelical Dictionary of World Religions H. Wayne House, 2019-02-19 With all of the different religions sects denominations and belief systems out there it can be difficult to separate the facts from mere opinion especially if one is relying solely on online sources which may or may not be vetted and which often have an ideological or political slant to them How can we truly understand if we cannot even be sure we are getting the facts straight In this comprehensive resource more than 75 evangelical scholars offer a thoroughly researched

guide to Christianity other world religions and alternative religious views including entries on movements theological terms and major historical figures Perfect for pastors students and anyone who wants ready access to information on today s religious landscape **Elders Lead a Healthy Family** J. R. Miller, 2017-04-20 Elders Lead a Healthy Family explores the biblical paradigm for shared leadership elders as the spiritual big brothers and shepherds to the family of God This book is a fresh biblical alternative to the standard fare of pragmatic church leadership Delivered in a winsome and irenic style the book addresses the key concerns of our day including pastoral burnout women as elders women and the pastoral gift power in leadership abuse of power in ministry ministerial pay and fostering missional leadership structures The answer to so many of the problems facing the church is not more coaching or better education The answer requires our churches to change the very structures that foster abuse isolation and burnout If we hope to save our pastors then we need our pastors to abandon the pastor as CEO model of leadership If we want to reach the lost we need a systemic change in the way we plant grow and maintain our churches Instead of putting a solo leader at the top of Church Incorporated we need to build teams of elders doing ministry together as they lead the family of God
