Voicing the Vision Linda L. Clader, 2004-01-01 Popular homiletics professor Linda Clader has been helping her students become attentive to how the Holy Spirit is speaking to them and eventually through them to the congregation In Voicing the Vision she shares her ideas about what preachers can do to be open and receptive to the Spirit once the exegesis is done Clader s approach to inspired and prophetic preaching is a holistic one filled with suggestions about how the preacher s spiritual life and practice affect openness to the Spirit as well as how various creative exercises can create spaces in which the Spirit can flourish Her careful analysis of the biblical texts that illuminate how the Spirit works in those texts is supplemented by practical suggestions for noticing how the Spirit also works in the everyday life of preacher and congregation This book will be a welcome companion for the seminarian who is just learning to preach as well as the seasoned preacher who is looking for new inspiration

**Setting the World on Fire** Laura R. DeJmek, 2014-08-19 Laypersons receiving a divine call to preach in the Roman Catholic Church may feel caught between a rock and a hard place both figuratively and ecclesiastically They may feel constrained between the Rock of Peter and the hard place of resistance to the preaching gift they believe they have and their desire to share it At first glance the Roman Catholic Church with its two millennia of Sacred Tradition seemingly offers little that favors the inclusion of lay preachers In addition many lay preachers may experience the bias of clergy and assembly members who unconsciously presume there is no role for laity to preach within the Roman Catholic Church Preaching does not occur solely within liturgical settings or only via pulpit preachers All Dominicans as members of the Order of Preachers are called to embody the *Sacra Praedicatio* the Sacred Preaching In fact canon law does permit laity to preach in certain liturgical settings *Setting the World on Fire* details one Roman Catholic woman's experience of her own call to preach the grace and gifts brought to both the preacher and the assembly as well as her desire to help all Dominicans and indeed all Christians embrace their rightful role as preachers

David Van Brugge,2025-01-20 In this retrieval study David Van Brugge addresses how the current understanding of a homiletical use of imagination for expository preaching might be strengthened The current need for strengthening becomes apparent when the various understandings of imagination and their implications for practical theology are realized This is compounded as trends in homiletics seem to minimize the imagination or embrace it in modern or postmodern ways The original contribution of this study is recognizing that the homiletical use of imagination can be strengthened by retrieving the Puritan baroque characteristics of Jonathan Edwards imagination as evidenced in his sermons to the Stockbridge Indians of 1751 1758 Edwards drew on a rich background to display an imagination that synthesized thoughts and ideas thought beyond the senses and that by the grace of God transformed thought and practice Through that creative thought Edwards maintained Biblical exposition and appeal to the affections Van Brugge further develops and evaluates the idea of Puritan baroque characteristics concluding that it is a helpful characterization of Edwards Stockbridge Indian sermons In these sermons Edwards imaginatively used imagery light space movement and glorification for the ultimate goal of directing the affections of his audience towards God Such a use of imagination for affective purpose becomes a key for the strengthening of a homiletical use of imagination today **Preaching Words**

McClure,2007-01-02 John McClure s Preaching Words highlights the most important ideas in homiletics and preaching offering short explanations of these ideas what scholars of preaching are saying about them and how they can help in today s preaching Topics range from elements of the sermon introduction body and conclusion to aspects of delivery types of

preaching in different Christian traditions and theories of preaching      Singing and Suffering with the Servant David M. Stark, 2022-10-10 The Old Testament is transformed from problem to ally when preachers attend to power at work in ancient and modern contexts by mirroring Second Isaiah's proclamation listening to contemporary servant Israel and learning from African American preaching in context of domination This book analyses the impact of domination on Old Testament proclamation and thus leads to several unique contributions Firstly it reads Second Isaiah as a homiletic model for proclaiming older pre-exilic texts in response to exilic domination Secondly it treats the Old Testament as a rich resource for confronting racism and anti-Semitism through teaching and it introduces contemporary Christian Jewish dialogue in Germany as a model for the Church Lastly it highlights preaching traditions within the African American Church as instructive for formulating an effective Old Testament preaching strategy      The Fully Alive Preacher Mike Graves, 2006-01-01 Mike Graves begins this book with the question If preaching is intended to enliven the church why is it killing so many ministers His answer Because preaching has become divorced from the vitality and diversity of the preacher's daily life He invites preachers to discover how preaching can be renewing rather than draining      Worship at a Crossroads Melinda A. Quivik, 2023-04-13 This book calls Protestant churches and the ELCA in particular to a church-wide conversation about racism It is a response to the 2019 book *Dear Church* by Lenny Duncan a former Lutheran pastor who is Black and who among other reparations calls for changing the church's worship in order to address segregated Sundays Changes in worship affect theological foundations Informed consideration is essential Because entering into life-changing conversations requires vulnerability and commitment this book includes several narratives my life as a White woman and pastor the history of the Black church as defined by Black theologians the development of the liturgical renewal movement and my experiences as a professor navigating worship conflicts as my seminary struggled with financial constraints and a changing student body The seminary conflicts offered me a window into how better to address racism inspired by the example of post-WWII German truth telling and how some US Southern states have come to grips with the history of the Jim Crow South described in Susan Neiman's *Learning from the Germans* This book outlines a way forward for churches in responding to racism by encouraging healthy engagement with contentious relationships as a necessity for healing      Best Advice William J. Carl III, 2009-02-02 This book gathers a diverse group of leading pastors and preachers and asks them what is your best advice to colleagues in ministry about preaching and being a pastor The responses are full of wisdom and practical advice illuminating and helpful for all who are pastors and preachers This book is a unique window into perspectives on ministry in the twenty-first century It is an ideal book to give to one's pastor or a graduating seminarian It is one pastors will turn to often for inspiration insight and wisdom
