Whoopi Goldberg, 2010-10-05 Have you noticed that things aren t as civil as they once were Or that rudeness is no longer an exception but a lifestyle Sure you have All you need to do is set foot outside your door to see that bad manners are taking over everywhere People are yakking on cell phones in restaurants even at church Folks in carpools wear enough cologne to make our eyes bleed Complete strangers think it s OK to rub a pregnant lady s belly Passengers abuse flight attendants family outings to the ball park are ruined by rowdy drunks a congressman heckled the President of the United States Well Whoopi Goldberg has noticed all this and more and asked herself Is it just me Unleashing her trademark irreverence and humor her new book of observations takes a funny and excruciatingly honest look

at how a loss of civility is messing with the quality of life for all of us So if your pet peeve is folks who talk in movie theaters like it was their living room or if you get bugged by people clipping their nails and performing other personal hygiene next to you on the bus or if you cringe when please and thank you get replaced by gimme and huh you have found a kindred spirit Because Whoopi has witnessed the growing disrespect and rudeness in our lives and realized she is not alone And as you ll discover in these pages neither are you Sugar Plum Ballerinas: Sugar Plums to the Rescue!
