Ultimate Avengers 2 Kristin Miller,2020-07-14 In an age of silly anime and dumbed down cartoons this Ultimate Avengers franchise is more than a breath of fresh air Films like Ultimate Avengers 2 and that's just what it is a full blown feature film take the classic Marvel grandeur and add a modern twist The action is intense and the story flows so very well Classic Marvel characters like Iron Man Captain America and the Black Panther the world's first African American superhero really shine in this format My only real disappointment lies in the fact that the Hulk wasn't really used and that the Thor depicted is nothing but a watered down version of the classic Thor Still the other characters and the riveting story more than make up for any shortcomings The alien threat from the first film is handled and resolved brilliantly while doing so without it being necessary for the viewer to have seen the first movie That's a hard thing to pull off but like the rest of the movie they did it so very well *Ultimate Avengers* Mark Millar,2019 *Entertainment Weekly The Ultimate Guide to the Avengers* (No ?4?)
