Unclean Lips Unclean Lips:

Isaiah Robert L. Wilken, Angela Russell Christman, Michael J. Hollerich, 2007-07-03 In his extremely thorough work on Isaiah Robert Wilken brings to bear his considerable knowledge of early Christianity Drawing on writings of the church fathers Eusebius of Caesarea Ambrose Jerome Cyril of Alexandria Theodoret of Cyrus Bernard of Clairvaux and nearly sixty others all of them masterfully translated this work allows the complex words of Isaiah to come alive Wilken's selection of ancient commentators clearly illuminates how Isaiah was used by the New Testament writers and understood by the early church fathers Each chapter begins with a modern English translation of the septuagint prepared by Moiss Silva Editorial comments provide a foundation for understanding the excerpted commentaries and other writings that follow for each chapter Isaiah Interpreted by Early Christian and Medieval Commentators is ideal for devotional and spiritual reading and for a deeper understanding of the church's historical interpretation of this major prophet **T Dot Griots** Steven

Green, Karen Richardson, 2004 Birthed at the popular open mic series La Parole T Dot Griots is an intimate journey through previously undocumented Canadian experiences reporting from Toronto's black communities in fiction poetry articles plays and songs The book features contributions by over forty writers of African descent either raised in or residing in Toronto The griot is a West African storyteller traditionally responsible for presiding over all of the important milestones in the life a community T Dot Griots is a window into the communities occupied by black Canadian artists depicting their experiences living in the African diaspora The griot carried the important function of preserving the community's history and culture through songs and recitations Now transported across the Atlantic Ocean non traditional methods of expression emerge to document the existence of a little known group of people the black community of Toronto Toronto is widely acknowledged as the world's most culturally diverse city T Dot Griots was produced to portray the rich cultural diversity existing within its African communities The anthology brings together spoken word poets and PhD's hip hop artists and playwrights students and professionals The book voices issues of racial inequality and immigrant experiences It illustrates numerous spiritual vantage points and political commentaries Most of all it is an unapologetically accurate representation of an ever growing canon of writers making Toronto their home who wish to acknowledge the many facets of African Canadian identity Immerse yourself in the words work and life of East West and Southern Africans Plunge into the hybridized dialect of Caribbean natives and descendents Wade through generations of celebrated cast of Toronto's outspoken voices Listen to the T Dot Griot tell the tale of the ages in a proudly Canadian style **The Gnostics, the New Versions and the Deity of Christ** Jay P.

Green, Sr., George Whitefield, 2000-07 If Jesus Christ is not God of the same essence with God the Father and God the Holy Spirit having all the attributes of the Trinity while on earth as well as while He reigned in Heaven then we of all men are most miserable And how do we know that He is and always has been God from eternity It is written in the Holy Scriptures But what if the version of the Bible we read is ambivalent in one place saying He is co equal with God and in another place

denying Him one or more of the attributes that are essential to God Read this book and you will see that all but three of the new versions are guilty of denying Christ s goodness sinlessness omnipresence omniscience omnipotence and a dozen more of the attributes of God You will see it written in black and white with exact quotations from eight of the new versions This important challenge to the trend so evident in the new versions the despising of the words God breathed out through the prophets and apostles and the mixing in of the corrupt wisdom of men ought to be supported by every one of you who love God and His Word as HB wrote it

Isaiah 1-39 Steven A. McKinion,Thomas C. Oden,2004-03-08 For the early church fathers the prophecy of Isaiah was not a compendium of Jewish history or theology but an announcement of the coming Messiah fulfilled in the life and ministry of Jesus of Nazareth In this ACCS volume readers will find commentary on Isaiah 1 39 ranging from East to West and from the first through the eighth centuries
