Uncommon Prayer Approaching Intimacy With God:

Uncommon Prayer Kenneth Swanson, 1998-12 Through his ministry Episcopalian priest Kenneth Swanson has discovered that many people despite their individual beliefs need to be taught how to pray in order to grow closer to God A surprisingly balanced book on Christian prayer as the entrance into the mystery of the intimacy of Divine Trinity Booklist

I'm Confused about Prayer John Cowart, 2005 John Cowart World's Foremost Authority on unanswered prayer says I've prayed for more things and didn't get them than anyone else I know But many other people also wonder why their prayers seem to get nowhere So John's amusing book addresses such issues as Is Anybody out there to answer prayers If God is able to answer then why doesn't he Is God as mean as a snake Is there something wrong with my faith my sins my breath If God did speak to me during prayer would I hear him If I don't have a whole lot of faith will God answer me anyhow Am I praying or just wishing And as John worries such questions he presents his famous Skunk Proof for the existence of a loving God He dedicates the book to his wife with the words I prayed 35 years ago to get over loving you I'm so glad that God did not answer my prayer NOTE This book was previously published as *Why Don't I Get What I Pray For* IVP 1993 *Uncommon Prayer* Kenneth Swanson, 2016-07-15 Almost everyone from devoted Christian to searching agnostic has thoughts and questions about prayer Through his ministry Episcopal priest Kenneth Swanson discovered that many people despite their individual beliefs needed to be taught how to pray in order to grow closer to God Written clearly and persuasively *Uncommon Prayer* traces different spiritual movements and different types of prayer telling the stories of men and women from the dawn of biblical history through the modern day who have grappled with their relationship with God offering lessons for each of us on how to pray comfortably and effectively Unique in its approach fascinating to read and inspiring in its simplicity *Uncommon Prayer* is an uncommonly useful and important book that will appeal to those who are yearning for greater meaning deeper spirituality or who are simply seeking a new sense of intimacy with God Prayer Richard J. Foster, 1992-08-14 Best selling author Richard J Foster offers a warm compelling and sensitive primer on prayer helping us to understand experience and practice it in its many forms from the simple prayer of beginning again to unceasing prayer He clarifies the prayer process answers common misconceptions and shows the way into prayers of contemplation healing blessing forgiveness and rest Coming to prayer is like coming home Foster says Nothing feels more right more like what we are created to be and to do Yet at the same time we are confronted with great mysteries Who hasn't struggled with the puzzle of unanswered prayer Who hasn't wondered how a finite person can commune with the infinite Creator of the universe Who hasn't questioned whether prayer isn't merely psychological manipulation after all We do our best of course to answer these knotty questions but when all is said and done there is a sense in which these mysteries remain unanswered and unanswerable At such times we must learn to become comfortable with the mystery Foster shows how prayer can move us inward into personal transformation upward toward intimacy with God and outward to minister to others He leads us beyond

questions to a deeper understanding and practice of prayer bringing us closer to God to ourselves and to our community

How does it help me grow? What is centering prayer? How do I do it? Who is Hildegard of Bingen? What did she write? How can I grow in forgiveness? What are Fowler's stages of faith? What are other ways of talking about stages of spiritual growth? This dictionary also includes a chart that compares various Christian spiritual traditions plus a list of significant spiritual classics by title and author.
