Unconscious Wisdom Unconscious Wisdom:

The Top 1%: Habits, Attitudes & Strategies For Exceptional Success Dan Strutzel, 2018-10-09 In the past several years there has been a great deal of hyperbole disseminated by mass media about The Top 1% Most of this press has been negative casting the 1% as the villains and the 99% as the victims Most every major problem in our society and in individuals inability to progress has been blamed on this elite income class Yet the paradox is that the vast majority of people in America strive every day to become part of that 1% Why is this Because most people intuitively understand that the picture of the 1% is largely incorrect at worst or incomplete at the very least So is much of what we've been told about the 1% incorrect Is there another reality about the 1% that has not been told by the media And should you and I aspire to be part of The Top 1% The answers to these questions are an unqualified yes In this compelling book personal development expert and researcher Dan Strutzel will give you a completely new and ultimately inspiring view of this income class And best of all he will outline the specific things you need to do to become a proud member of The Top 1% You'll learn The most popular myths and the hidden truths of The Top 1% Why average is over and striving for the Top 1% should be everyone's goal regardless of whether you ever reach that goal The 12 qualities that The Top 1% have in common How to develop an owner's mentality not a consumer's mentality Why you don't get your dream job you create it Why traditional goal setting concepts no longer make sense and will not get you to the top 1% Why you should focus on value and equity and not on income Why the 1% and the 99% need each other to achieve the greatest level of success and happiness After reading this book you'll not only have a road map for joining The Top 1% you'll emerge more inspired and excited about your future and the future of our society

Wisdom's Daughters Cathy Pagano, 2013-01-24 Wisdom is Women's Gift to the World In the many cultural stories that speak about the changing of the ages it is always Feminine Spirit which brings about the transition to new life for Feminine Spirit knows the rhythms of life death and rebirth and is the opener of the way In times of cultural transformation it is also our right brain feminine consciousness that is our best guide for it opens us to the creative imagination the realm of possibility The return of the Goddess awakens the transformative energy that births the changing of the ages In the western story of worldwide spiritual transformation there is a powerful image of Cosmic Woman an image of the archetypal Feminine Spirit who transforms and gives birth to this new age And her archetypal image gives us instructions for opening to and incarnating wisdom This image of the awakening Feminine Spirit is an image of the Conscious Woman a woman clothed with the sun standing on the moon crowned with stars who is in labor giving birth to a savior In earlier times and different traditions this archetypal image was understood as Lady Wisdom Today I feel this Goddess image of conscious woman can be incarnated by women everywhere This woman clothed with the sun is Lady Wisdom who calls all women to become her daughters I love Cathy's insights into fairy tales mythology dreams astrological energies and archetypes She makes sense of how our lives are impacted by these complex yet very beautiful elements making them accessible and keeping them profound
