Undead And Unforgiven A Queen Betsy Novel:

Undead and Unforgiven MaryJanice Davidson, 2015-10-06 If Betsy Taylor has learned anything about ruling Hell it's 1 she can't do it alone and 2 she doesn't have to. She's got the help of a devoted vampire king, a dateless zombie, an exhausted new mom, an unshowered cop, a bitchy ghost, a kindly dead priest, and her late stepmother. Go Team Satan. But the latest major hurdle in her post-dead life is so big she can't even see it until it's on CNN. Betsy's father and half-sister Laura, a former Anti-Christ with a grudge, have outed Betsy to the world. It doesn't take long for the story to become 24/7 headline news. What's more, people are not only prepared to believe in vampires, they want to kill them. For Betsy, social media has never felt so unsocial. Before long, the mansion on Summit Avenue is swarming with reporters, would-be vampire zombie killers, and desperate emos begging to be turned. Betsy has been forced into the unenviable role as the reluctant face of the vampire nation. All she knows is she has to look good and stay true to who she is. H8ers be damned. Undead and Done MaryJanice Davidson, 2016-10-04 Vampire Queen Betsy Taylor continues her rule in Hell in the scorchingly funny finale to the Undead series from New York Times bestselling author MaryJanice Davidson. It had been a well-kept secret for centuries, but now the existence of vampires is all over the news thanks to Betsy Taylor's half-sister and the frustrated former Antichrist Laura. Life for the undead will never be the same, and it's up to Betsy to do some damage control. But her interview on the local news doesn't exactly put out the fire. It more or less pours kerosene on it. With all the added attention on supernatural beings, the werewolves are more than a little agitated, never a good thing, and demand that Betsy get her interview skills and her family in order. And while things go from bad to worse in the world, Hell continues to be hell, especially when Betsy's new parole program becomes about as complicated as you'd expect. With a PR team launching a vampire-friendly campaign, the devil at large and out to make trouble, and mermaids on hand to see who falls and how hard, the end isn't just near. It's here. And if anyone knows how to go out with a bang, it's the queen of Hell. *Bowker's Guide to Characters in Fiction* 2007, 2008-02
