illuminating work are to disclose the sources of our sixteenth President's religion and religious inspiration to confirm the proposition that he was a religious man par excellence. The aims are admirably achieved and in addition the book sheds new light on some of the many facets in the personality of one of our nation's immortals. *The Family Herald*, 1852 *Family Herald*, 1852 **INSCOM Journal**, 1982 Good words, ed. by N.
