Under The Hill Bombers Moon:

Bomber's Moon Alex Beecroft, 2017-03-25 Under the Hill Part 1 When Ben Chaudhry is attacked in his own home by elves they disappear as quickly as they came He reaches for the phone book but what kind of exterminator gets rid of the Fae Maybe the Paranormal Defense Agency will ride to his rescue Sadly they turn out to be another rare breed a bunch of UFO hunters led by Chris Gatrell who while distractingly hot was forcibly retired from the RAF on grounds of insanity Shot down in WWII and shot forward seventy years in time stranded far from his wartime sweetheart Chris has been a victim of the elves himself He fears they could destroy Ben's life as thoroughly as they destroyed his Chris is more than willing to protect Ben with his body He never bargained for his heart getting involved Just when they think there's a chance to build a life together a ghostly voice from Chris's past warns that the danger is greater than they can imagine And it may take more than a team of rank amateurs to keep Ben and the world out of the elf queen's snatching hands

Under a Bomber's Moon

Stephen Harris, 2011-01-11 They were the best of enemies dedicated skilled and deadly In the night skies above wartime Germany an RAF navigator air bomber from New Zealand and a Luftwaffe pilot seek out their targets testing the gap between success and their own destruction as they cross each other's paths The odds are heavily against either of them making it through the war but as this sobering realisation displaces their initial exuberant sense of adventure both come to see in their youthful sacrifice the survival of all they hold dear UNDER A BOMBER'S MOON reaches across the divide of years of geography of nationality to tell their story largely in their own words describing both the breathtaking clashes in the air and the camaraderie humour patriotism and personal tragedies that became their war Stephen Harris began his journey of discovery because he wanted to know the truth of his great uncle Colwyn Jones's fate With Col's vividly written letters and diary as a starting point he set out to discover what really happened on the night Col's extraordinary luck ran out Little did he know that his quest would lead him to a meeting with a former Luftwaffe pilot who was pitted against his great uncle in the skies over Germany Otto Heinrich Fries proved to be both engaging and articulate eventually allowing Harris to tell his story in this book The result is a unique and personal account of two highly successful airmen from opposing sides

Contraband Hearts Alex Beecroft, 2018-04-30 His future depends on bringing the smuggler to justice His heart demands to join him Customs officer Peregrine Dean is sent by his patron to investigate rumors of corruption in the Porthkennack customs house There he is tasked by the local magistrate to bring down the villainous Tomas Quick a smuggler with fingers in every pie in town Fired with zeal and ambition and struck to the core by his first glimpse of Tomas Perry determines to stop at nothing until he has succeeded Tomas Quick is an honest thief a criminal regarded by the town as their local Robin Hood He's also an arrogant man who relishes the challenge posed by someone as determined and intelligent as Perry Both of them come to enjoy their cat and mouse rivalry a little too much But the eighteenth century is a perilous time for someone like Perry a black man in England Two have already disappeared from the wrecks of ships Tomas and Perry

must forsake their competition and learn to trust each other if they are to rescue them or Perry may become the third victim
