

The background of the book cover is a detailed, monochromatic illustration in shades of olive green and brown. It depicts the Jerusalem Temple walls under construction, a scene from the Book of Nehemiah. In the foreground, several figures are shown: some are working with tools, while others appear to be soldiers or guards. The middle ground shows the extensive wall structure with various towers and battlements. The background features a hilly landscape with more buildings and a distant horizon under a cloudy sky. The overall style is reminiscent of a woodcut or a detailed engraving.

Victorious Christian Service Studies In The Book Of Nehemiah:

Victorious Christian Service Alan Redpath, 2005 This is a reprint of the classic book *Victorious Christian Service* by Alan Redpath The events of Nehemiah's life may not be as familiar as the feats of David the ark of Noah or the storm tossing Jonah but the hand of God is clearly upon this man's heart and mind Here pastor and speaker Alan Redpath guides us through the book of Nehemiah and reveals for us the abundant life of Christian service **Building For God: Leadership and Life**

Lessons from Nehemiah Carl Shank, 2018-04-02 Nehemiah was an unknown servant to a great ancient Near Eastern king a cupbearer by trade Although he was not a famous Jewish prophet scribe or known leader he was able to rebuild the torn down and burnt walls of Jerusalem in fifty two days Facing all kinds of opposition and internal turmoil Nehemiah's leadership was unequalled This study outlines his sterling leadership and life lessons Ezra and Nehemiah David J.

Shepherd, Christopher J. H. Wright, 2018-01-04 Two features especially distinguish the Two Horizons Old Testament Commentary series theological exegesis and theological reflection Both of these features are fully realized in this THOTC volume on Ezra and Nehemiah by David J Shepherd and Christopher J H Wright Following an introduction and concise verse by verse commentary on both books Shepherd and Wright highlight key ways in which these Old Testament texts continue to speak to us today They closely examine what Ezra and Nehemiah tell us about God and the people of Israel reflect practically on leadership and engage critically with those portions of the text such as Ezra's dissolution of the Judeans marriages with foreigners that present special problems for contemporary readers Offering deep theological insight throughout this volume will prove essential for students pastors and other Christian leaders seeking to engage in theological interpretation of Scripture **Encyclopedia of Christianity in the United States** George Thomas Kurian, Mark A. Shank,2018-06-11 The real question for those daring to enter into full time professional ministerial service for the Lord Jesus Christ is how do I not fall and finally fail my Lord and Savior How do I make sure that my ministry years will be biblically fruitful and that I will remain faithful to Christ How can I leave a legacy of godliness and faithfulness that others can follow safely and surely This book explores some of the answers to those questions *Who Needs a Missionary?* Robert

Reese,2014-04-04 In *Who Needs a Missionary* Robert Reese reviews his own missionary experiences in Zimbabwe and finds that the best results came from an indigenous leader who had the least contact with missionaries Reese conducted interviews with this leader to let him speak for himself about his journey with God in ministry these interviews form the heart of the book Mostly without missionary guidance this Zimbabwean Christian of humble origins journeyed from his conversion to Christ to arrive at a transformation of his home community Reese draws lessons from the life of this remarkable leader who has enjoyed so few earthly advantages yet has been rich in faith and fruitfulness God has determined that the gospel will work all by itself whenever and wherever it is planted in human hearts *Models, Mentors, and Messages* René

Rochester,2009-07-13 For far too long we ve neglected the urban mission field Many churches have moved to the outskirts of the city for various reasons and the urban landscape appears to be forgotten Dr Ren Rochester presents a vision for how communities can change this pattern and plant redemptive and sustainable urban ministries *Models Mentors and Messages* takes a close look at the developmental stages of Jesus life focusing on how family his heavenly Father the Jewish community and neighboring nations were used to shape his holy destiny Through the example of Jesus life you will learn how to draw on your own formative years to show urban teens how to live out God s call in their communities The most authentic models are individuals who have wrestled through life s challenges and learned to trust God in difficult situations and so by empowering urban students today and showing them how to nurture one another in faith you can help create sustainable ministries in which each generation will model for the next how to follow Jesus The first of its kind this book doesn t try to force old models on the urban context but rather teaches new ways to draw on Jesus teachings to help an urban hip hop generation live for Jesus and for one another **The Publishers' Trade List Annual** ,1971 *Catalog of Copyright Entries.
