Anderson's Victory Over the Darkness* Everest Media,2022-09-14T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The most basic of all questions is Who are we and why are we here We tend to seek self verification or become somebody special through appearance performance or social status However what people appear to be doesn t always reflect who they are 2 The book of Ecclesiastes describes the futility of trying to find meaning in life without God It says that everything is meaningless and that people are not worth anything without God 3 The Hubble Space Telescope allows us to view the extravagance of creation and what we see is beyond our ability to comprehend The universe has supernovas galaxies and stars so large that if they were printed on a page the earth would be a tiny dot in comparison 4 The heart is the center of self It is the seat of reflection not the seat of emotions The heart is the place where the mind will and emotion converge into one holistic unity Victory Over the Darkness Neil T.
