In *Complex Text Decoded* educational consultant and former master teacher Kathy T. Glass presents strategies, activities, and assessments that target students' ability to comprehend complex text, whether presented as traditional written text or in multimedia formats, in grades 5-10. You will learn the essential elements of unit design and models for lesson planning. Specific step-by-step instruction for teaching vocabulary, effective questioning techniques, and strategies and activities explicitly designed for teaching complex text. How to measure text complexity and select appropriate texts that are aligned with curricular goals. It is important to provide opportunities for students to read a wide variety of texts for different purposes and along a spectrum of difficulty and length. To meet the goal of comprehensively grasping complex text, students must have concrete tools to help them become highly skilled readers. *Complex Text Decoded* enables teachers to provide precisely that.

Bloomsbury CPD Library: Stretch and Challenge Debbie Light, Bloomsbury CPD Library, 2017-01-12 In the past schools have labelled the most able students in a class or year

group as gifted and talented While segregating these students may help them to achieve their academic potential there is little benefit in this practice for their less able classmates Even less so for those who are left in the middle space identified as neither highly academic nor severely struggling The Stretch and Challenge model focuses on setting high expectations for all students regardless of their ability Encouraging all children to meet universally high targets introduces flexibility between otherwise rigid ability groups and gives children greater opportunities to exceed Split into two parts Stretch and Challenge focuses on different ways of thinking about and implementing this model in school Debbie Light begins by helping teachers to create a culture of high expectations in their classroom by setting challenging learning objectives creating opportunities for students to develop independence and supporting students as they become resilient learners The second half of the book advises teachers how to create an inclusive learning environment where all children feel challenged by encouraging teacher questioning designing tasks grouping students and effectively using teaching assistants Filled with honest experienced and undeniably helpful advice Debbie Light's Stretch and Challenge is a must have guide for all teachers who want to collectively maximise their students learning and achievement The book provides a set of ready to use training plans to help you train your colleagues and is accompanied by PowerPoint slides available to download online for free It offers 19 hours of CPD equating to a cost of just 1 20 per hour of training
