Wild Girls Ursula K. Le Guin,2011-05-01 Ursula K Le Guin is the one modern science fiction author who truly needs no introduction In the half century since *The Left Hand of Darkness* her works have changed not only the face but the tone and the agenda of SF introducing themes of gender race socialism and anarchism all the while thrilling readers with trips to strange and strangely familiar new worlds She is our exemplar of what fantastic literature can and should be about Her Nebula winner *The Wild Girls* newly revised and presented here in book form for the first time tells of two captive dirt children in a society of sword and silk whose determination to enter that possible even when unattainable space in which there is room for justice leads to a violent and loving end Plus Le Guin s scandalous and scorching Harper s essay *Staying Awake While We Read* also collected here for the first time which demolishes the pretensions of corporate publishing and the basic assumptions of capitalism as well And of course our Outspoken Interview which promises to reveal the hidden

dimensions of America s best known SF author And delivers *Dancing the Tao* Sandra J. Lindow,2012-11-15 *Dancing the Tao* Le Guin and Moral Development takes an original approach to Ursula K Le Guin s work speculative fiction poetry and children s literature by considering her Taoist upbringing and then looking through the lens of moral development theorists such as Carol Gilligan and Mary Field Belenky and psychologists such as Lenore Terr and Jennifer J Freyd It is the most comprehensive approach to Le Guin s moral thinking to date A particular emphasis is put on Le Guin s depiction of physical and sexual child abuse and its long term aftereffects such as post traumatic stress disorder The focus throughout the book is on how morality develops through self awareness and voice how moral decisions are made and how Le Guin challenges readers to reconsider their own moral thinking This book covers all of Le Guin s major works such as *The Left Hand of Darkness* *The Dispossessed* the *Earthsea* Series *Always Coming Home* *The Telling* and *Lavinia* and it also looks in depth at work that is rarely discussed such as Le Guin s early work her poetry and her picture books *The Legacies of Ursula K. Le Guin*

Christopher L. Robinson,Sarah Bouttier,Pierre-Louis Patoine,2021-09-19 *The Legacies of Ursula K Le Guin* explores how Le Guin s fiction and essays have built a speculative ethical practice engaging indigenous knowledge and feminism while crafting utopias in which human and other than human life forms enter into new relations Her work also delineates new ways of making sense of the science of science fiction The authors of this collection provide up to date discussions of well known works as well as more experimental writings Written in an accessible style *Legacies* will appeal to any readers interested in literature science fiction and fantasy as well as specialists of science and technology studies philosophy of science ethics gender studies indigenous studies and posthumanism *Contemporary Authors: 1945 to the Present* Britannica Educational

Publishing,2013-06-01 Contemporary literature encompasses so many genres literary forms and themes that it would seem almost impossible to identify a unifying thread between them Yet in the tradition established by literary heavyweights who came before modern writers of all stripes and backgrounds have continued to entertain and to confront the social cultural and psychological realities of the times including everything from racial identity to war to technology with their own flair and insight The diversity of authors profiled herein from Toni Morrison to Sylvia Plath to Stephen King to David Foster Wallace attests to the scope and complexity of modern society *Grandma Vee's First Book of Shadows* Valerie Walker, **Prose** Britannica Educational Publishing,2011-05-01 Narratives come in many forms fall into many genres and tell the stories of an endless assortment of characters Despite recurring themes and conceits in works from around the world each story from biography to science fiction is singular and designed to elicit a distinct emotional response from its readers The rhetorical tools and literary styles that have helped reinvent the art and study of storytelling over time are surveyed in this captivating volume **Fantasy** Brian Attebery,2022-06-30 An exciting and accessible study of the genre of fantasy One of the dominant modes of storytelling in the twenty first century fantasy can mirror contemporary experiences and convey our anxieties and longings better than any representation of the merely real It is the lie that speaks truth This book addresses two central questions about fantastic storytelling first how can it be meaningful if it doesn t claim to represent things as they are and second what kind of change can it make in the world How can a form of storytelling that alters physical laws and denies facts about the past be at the same time a source of insight into human nature and the workings of the world What kind of social political cultural intellectual work does fantasy perform in the world the world of the reader that is not that of the characters Focusing on various aspects of fantastic world building and story creation in classic and contemporary fantasy from the use of symbolic structures to the way new stories incorporate bits of significance from earlier texts this book shows how fantasy allows writers such as Michael Cunningham Hans Christian Anderson Helene Wecker C S Lewis Ursula K Le Guin Nnedi Okorafor Nalo Hopkinson George MacDonald Aliette deBodard and Patricia Wrightson to test new modes of understanding and interaction and thus to rethink political institutions social practices and models of reality **We Need Another Voice** Mosol Don S. Lee MD.,2023-04-11 This is A Lone Voice from the retired medical doctor who was a faculty member Geopolitics play a very important role Korean historian could raise a voice against China Westerners have not heard any other voice from the Korean scholars The winners write history Generalissimo Chiang knew that Korea has been an independent country for millennia of years and raised a voice to provide Joseon as an independent country at the secret Yalta Meeting The US didn t know Korean history and drew the western front not including the Korean peninsula After the Korean war the US invited Korean scholars to learn about the hermit kingdom One of Korean historians who were educated in Japan came to the US and compiled Korean history in English within a year He simply translated the text written by the Chinese and Japanese about Korea His book is the eye opening for the American and sets the mainstream During the cultural

revolution under Chairman Mao Zhou Enlai realized that one of his compatriots could be in danger By the time Zhou arrived in Manchuria his friend had been killed by the Red Guards Zhou gave an emotional speech stating that Manchuria has been the homeland of Joseon People Korea has a unique group of historians namely hermit historians It started during the Mongol invasion and resurrected under the Japanese invasion Hwandan Gogi is a text on ancient Korean history originally emerged from the Manchuria This is a sister copy of the author s last one It explored the Gojoseon diaspora who remained under the southerners They ran away to the south Elders went up to the eastern slope of the Himalaya Mountains and implanted the ancient faith Taoism It became the primitive Buddhism As came back to the homeland adapted ancient faith it became Maitreyan Buddhism As ancient History of Judaism remained in the Old Testament Hwandan Gogi and Buddhist scriptures include ancient Korean History

Of Sex and Faerie: Further Essays on Genre Fiction John Lennard, 2010-01-01 Taking up where the author s book Of Modern Dragons 2007 left off these essays continue Lennard s investigation of the praxis of serial reading and the best genre fiction of recent decades including work by Bill James Walter Mosley Lois McMaster Bujold and Ursula K Le Guin There are groundbreaking studies of contemporary paranormal romance and of Hornblower s transition to space while the final essay deals with the phenomenon and explosive growth of fanfiction and with the increasingly empowered status of the reader in a digital world There is an extensive bibliography of genre and critical work with eight illustrations and many hyperlinks

Dangerous People: The Complete Text of Ursula K Le Guin's Kesh Novella Ursula K. Le Guin, 2019-03-05 When it was first published in 1985 Ursula K Le Guin s ambitious and experimental novel Always Coming Home a tapestry of interwoven stories poems histories myths and anthropological reports from the fictional Kesh society included one chapter from a short novel called Dangerous People by Arravna or Wordriver which Le Guin had translated from the Kesh the invented language of an invented people who might be going to have lived a long long time from now in a post apocalyptic Napa Valley California Now Library of America presents for the first time the full text of the innovative and perceptive novella Dangerous People which Le Guin completed shortly before her death making this Le Guin s final new work The story of one missing woman and the people around her who may or may not be implicated in her death or disappearance Dangerous People explores larger questions about what in relationships in society make a person dangerous and in giving us the Kesh perspective Le Guin ultimately shines a light on our own society s perceptions of truth gender and relationships

Orsinian Tales Ursula K. Le Guin, 2016-09-06 A collection of Le Guin s historical fiction writings set in an imaginary central European nation complete with a newly researched chronology of her life and career In a career spanning half a century Ursula K Le Guin has produced a body of work that testifies to her abiding faith in the power and art of words She is perhaps best known for imagining future intergalactic worlds in brilliant books that challenge our ideas of what is natural and inevitable in human relations and that celebrate courage endurance risk taking and above all freedom in the face of the psychological and social forces that lead to authoritarianism and fanaticism It is less well known that she first

developed these themes in richly imagined historical fiction set in the imaginary East European country of Orsinia including the enchanting stories collected in Orsinian Tales These brilliantly rendered stories recount episodes of personal drama set against a history that spans Orsinia's emergence as an independent kingdom in the twelfth century to its absorption by the eastern Bloc after World War II Here is a dimension of Le Guin's extraordinary literary imagination that will surprise and delight readers Talking Book Topics ,2012-05 Ursula K.
